BROKER'S WIFE IS HELD FOR RANSOM

Senate Confirms Appointment of J. Q. Emery

DRASTIC BILL ON WEAPONS INTRODUCED

Peterson Measure Would Control Sale and Use of Firearms

MUST GET LICENSES

Stringent Regulations Are Asked to Curb Carrying of Guns

By FRED L. HOLMES

A drastic measure to control the carrying and selling of concealed and dangerous weapons was offered in the lower house Thursday by Assemblyman Frederick J. Peterson, Milwaukee. The measure is said to have the endorsement of Judge A. C. Backus, Milwaukee, and of the police force. Under the terms of the bill no person other than a policeman or officer authorized to serve process shall go armed with any concealed or dangerous weapon. No person, firm or corporation shall sell, offer for sale, display, lend or give away any maxim silencer or other device used to deaden the sound caused by the discharge of a firearm.

Persons other than policemen shall not purchase, possess or own any firearms without first securing a license from the city clerk, town or village clerk and such license must be annually renewed. In cities the recommendation for a license must be endorsed by the Chief of Police and the sheriff in village and towns. Such application shall state the name, age, and residence of the applicant, the kind of firearm to be purchased, or owned, and the purpose for which the same is to be used or is being kept. A $1 license fee is charged.

No such license shall be issued to a minor, or to any person who is not a reputable citizen of the United States, or to any person who has been convicted of a crime. Any person securing such license who thereafter changes his place of residence shall, within twenty-four hours after so changing his residence, make application for a license in his new place of residence. The firearms of each person whose application for a license is rejected shall be forthwith turned over to the chief of police or the sheriff, as the case may be, for destruction.

No person, firm or corporation dealing in firearms shall display to the public view for sale any pistol, revolver, colt, maxim silencer, slingshot, cross-knuckles, knuckles of lead, brass or other metal, bowie knife, dirk, dagger, blackjack, club, or any toy pistol, toy revolver or other toy firearm, or any other dangerous weapon or firearm excepting shotguns and rifles generally used for hunting purposes.

In Milwaukee the fees obtained from these licenses shall be turned into the police pension fund. For the purposes of this law "an unloaded revolver, pistol, automatic pistol or magazine pistol, razor, stiletto, or pocket knife having one or more blades three or more inches in length, are dangerous and deadly weapons."

Violations of this law shall be punished by imprisonment for not less than one year nor more than three years. For the violation of certain sections of law the punishment shall not be less than six months nor more than one year, or by fine of not less than $100 or more than $500.

Padamatzky Freed of Assault Charge

Constantine Padamatzky of Madison, who was charged with intent to commit a criminal assault, was found not guilty by Judge Hoppmann in the superior court late yesterday afternoon. The hearing was conducted behind closed doors. James M. Clancey of Stoughton and S. B. Schein of Madison, defended Padamatzky.

WEATHER

The highest temperature during the past 24 hours was 29 at 4 p. m. and the lowest was 19 at 7 a. m. Sun sets at 5:04.

Heavy rains accompany low barometer in the south Atlantic states. Colder weather follows this disturbance in the Gulf states. The barometer is low on the Pacific coast and light sprinkles fell there Wednesday night. The weather is generally fair and warmer throughout the rest of the country.

Lange Casts Only Vote In Opposition

The appointment by Gov. John J. Blaine of J. Q. Emery of Albion as state dairy and food commissioner was confirmed by the senate at this morning's session.

The only dissenting vote was cast by Senator Herman T. Lange of Eau Claire.

Future appointments by Gov. Blaine will not be rushed through the senate under suspension of the rules as was the case in the two appointments made by the governor to date.

Notice to this effect was served by Senator Anton Kuckuk this morning following confirmation of Mr. Emery to succeed George Weigle, Milwaukee, as dairy and food commissioner, the rules being suspended.

"The older members of this body know J. Q. Emery, but for the benefit of the new members, who do not know him, I desire to say that Mr. Emery is a resident of my district. As a matter of fact, his farm or home is about six miles east of Stoughton, my home town," said Senator H. A. Huber, before the vote on the Emery appointment.

"I have known him for many years. I learned to know him when he was principal of the Fort Atkinson high school and superintendent of public instruction. I learned to know him intimately while he was dairy and food commissioner of this state, and I at that time was a member of the senate.

"He was dairy and food commissioner at a time when the food adulterators tried to impose upon the people of this state, but J. Q. Emery stood firm, and was instrumental in having written into our statutes laws that have made Wisconsin one of the foremost dairy states in this Union.

"It has been suggested to me that a younger man should be appointed to this office. In answer to that, I will say, that J. Q. Emery owns and has successfully operated a large dairy farm in the town of Albion in the southeastern part of this county, since retiring from the office of dairy and food commissioner six years ago; he is as rugged, vigorous and active, mentally and physically, as most men of 50.

"I have occasion to go by the Emery farm very often. Last summer one day I saw him cultivating a large field of corn; a little later I saw him out in the hay field pitching hay onto a wagon, and last fall, one day when I drove into his yard, a threshing crew was at his place, I found him in the straw stack under the straw carrier. Surely there can be no valid objection to him from the standpoint of vigor and activity.

"I dare say, no one who knows J. Q. Emery, will question his fitness for the office nor his honesty and integrity.

"He has served the people of this state ably, fearlessly, and conscientiously as superintendent of public instruction and as dairy and food commissioner for many years. Of him it can be truly said, he has been weighed in the balance and not found wanting. He has been trusted and tried, and I believe this senate will make no mistake in confirming his confirmation."

Senator Kuckuk's announcement was taken to mean that future appointments by Mr. Blaine may not have the same clear sailing as the two made thus far in the session of the legislature.

The rules committee recommended that after Jan. 31, daily sessions of the legislature except on Sunday and holidays, and adjournment from Friday to Tuesday every other week, was adopted.

Senator Claire Bird introduced a joint resolution providing for a reappointment committee to be composed of three senators and five assemblymen to reapportion legislative and congressional districts on the basis of the 1920 census. Mr. Bird believes that this work should be done prior to any announcement of congress concerning any changes that may be made in the number of congressmen from this state.

A resolution by Senator David V. Jennings asks for an emergency appropriation of $10,000 so that the rent investigating board in Milwaukee may continue its work. No action was taken.

Senator Louis Arnold introduced a bill which would exempt from taxation improvements up to $3,000.

A son was born to Mr. and Mrs. A. P. Haake, 421 N. Warren st., at the general hospital Monday. This morning a daughter was born to Mr. and Mrs. J. A. Bondeli at the general hospital.

HOME RULE AMENDMENT IS NULLIFIED

Error in Certification of Measure Cancels Its Legality

LOSE TWO YEARS' TIME

Sen. Arnold to Introduce New Amendment This Week

BULLETIN

The amendment to the state constitution providing for home rule in Wisconsin cities, which has been declared nullified because of a mistake made by an enrolling clerk, will be unaffected by the error, according to Charles McCarthy, director of the legislative library. It is the opinion of Mr. McCarthy that the resolution which was certified to the secretary of state, would not take precedence of the resolution which was carried correctly on the journal record of both houses. Wisconsin law, he said, established that the journal record was regarded as official.

The home rule constitutional amendment passed by the last session of Wisconsin legislature has been nullified as a result of an error in certification. This fact has just been discovered by Sen. Lewis A. Arnold, Milwaukee. While the amendment was broad in its application, covering other cities of the state, the principle purpose of pasing it was to aid Milwaukee. It is estimated that over 25 per cent of the measures before the Wisconsin legislature directly affecting Milwaukee and a home rule and could be passed upon locally if home rule were in force.

At the last session of the legislature Sen. Arnold introduced a home rule amendment. After consultation with people in Milwaukee he decided upon some modification and submitted a substitute amendment. This subtitute passed both houses. When it came to certification the original resolution instead of the substitute was certified to the secretary of state's office by the legislative officials. It was published for three months in the papers of the state. Discovery has just been made that the wrong amendment has been published which necessitates that the whole procedure must again be done over.

Sen. Arnold will introduce a home rule amendment within a day or so. Two years time has been lost in getting this matter before the people as a result of the error.

To Hold Hearing On Child Welfare Bill

The joint finance committee of the legislature is planning to conduct a hearing next Friday at 2 p. m. on the appropriation bill for the bureau of child welfare and public health nursing, and on the budget for the state board of health.

In Which Henry Admits That He Took Big Chance

To the Editor of The Capital Times:

Last evening when coming from the Madison bowling alleys I noticed a South Madison street car taking on passengers at the corner of Fairchild and State sts. Being a kid and a good sprinter, I thought I could make the car. When on the track within five feet of the street car the motorman started the car. In order not to be run over I made a jump in the street and landed in front of an automobile which was going at a fair rate of speed. If I had been killed, what verdict could a jury render,—not accidental death.

Here were three men violating the safety rules relating to human life. First, myself, for being foolish enough to go in front of a street car; second, the motorman, for starting a car when he knew that I was in danger of being run over; third, the driver of the automobile, for going past a street car when the car was standing still.

I received a hard bump but got out from under the car, waved to the driver of the automobile to go ahead, and I boarded the South Madison car for home.

Experience of this kind, if you are still alive, is the best teacher.

HENRY JOHNSON,
State Treasurer.

Miss M Swiney May Speak In City Feb. 8th

Miss Muriel MacSwiney, sister of the late lord mayor of Cork who died following a hunger strike in a British prison, will speak in Madison Feb. 8, if the plans of the local branch of the Friends of Irish Freedom can be carried out.

The announcement was made last night at a meeting of that organization following the receipt by Maj. George F. O'Connell, president, of a telegram from Miss MacSwiney's manager in New York. The date has not been definitely set, but a committee consisting of John F. Bourke, Fred L. Holmes and Rev. T. B. Johnson will make every effort to get a hall of suitable capacity for that date.

At the meeting last night it was voted to send a petition to Secty. of Labor Wilson and Secty. of State Colby protesting against the method used in the deportation proceedings against Donal O'Callaghan, who arrived from Ireland as a stowaway.

The committee this morning corrected an erroneous announcement that Mrs. MacSwiney was asked to speak here. Mrs. MacSwiney has returned to Ireland.

8-HOUR BILLS IN ASSEMBLY

Conway and Jordan Introduce Measures at Session Today

WEITTENHILLER OPENS WAR AGAINST RATS

County boards are invited to exterminate the house rat and, if the bill offered by Assemblyman Conrad Weittenhiller of Grant county is enacted into law, every boy and girl will be able to collect a five cent bounty on all house rats killed.

Mr. Weittenhiller believes that the house rat carries diseases and should be exterminated. He has offered a bill which gives every county board in the state the power to offer a five cent bounty for every rat killed.

Two eight hour bills came into the assembly on Thursday. One by Assemblyman Thomas H. Conway, Milwaukee, declares the public policy of the state to be in favor of an eight hour day. A bill by Assemblyman W. E. Jordan, Milwaukee, declares in favor of an eight hour day on all state, city and county work.

A closed season for deer until Nov. 21, 1922, is advocated in a bill offered by Assemblyman E. H. Johnson, Frederic. After that there shall be an open season on even numbered years and a hunter shall be allowed to kill either a buck or a doe.

Other bills offered were:

E. H. Killian—Appointment of a boiler inspector at a salary of $2,500 annually.

E. H. Johnson—Compulsory free text books in all school districts.

E. H. Johnson—Assessors must value jewels and precious stones for taxation purposes.

John C. Schafer—Injured employe has the right to select his own physician.

Schafer—All applicants to the bar must take the state bar examination. Graduates of the university law school are now exempt.

French—Where no street car operates, a city may maintain a public auto service of suburbs.

Jordan—Unanimous decision of the supreme court to declare a law unconstitutional.

Jordan—Rooms must be recalcimined where one family moves out following a contagious disease.

Polakowski—Prohibiting the use of paint spraying machines, where the paint contains arsenic.

Stolowski—Prohibiting the employment of women in places where there is excessive heat or cold, or where heavy weights are to be lifted.

Hasley—Permitting peaceful picketing and talking to employes who are attempting to break a strike.

Mark—Every county in the state to have a county agricultural representative by July 1, 1923.

Nelson—County income tax assessor may either maintain his office at the county seat or some other convenient place.

Higgins—Increasing the membership of the Milwaukee board of police and fire commissioners from five to seven members.

Olson—Legislative bulletins shall be furnished free to all farm organizations.

Assemblyman Steven S. Stolowski offered a joint resolution to amend the state constitution so that the state may own and operate grain warehouses.

Eight petitions were received in the assembly from Dane, Milwaukee, Door and Racine counties asking for a more stringent dry enforcement law. Assemblyman J. H. Farr offered a petition in favor of the establishment of a home for the feeble minded in Price county. The assembly adjourned until 10 o'clock Friday.

NEGRO CHURCH MAY REPLACE HAMACHER'S

Mt. Zion Baptists Hold Option on Famous Old Hotel

PRICE SET AT $25,000

Deal Not Yet Closed; Await Action of Church Executive Board

The Hamacher hotel, 306 W. Mifflin st., one of the oldest hostelries in the city, will be sold to the Mt. Zion Baptist African congregation, which will build a church on its site, if negotiations between the executive board of the church and A. Milverstedt, proprietor of the hotel, materialize.

Rev. Z. P. Smith, pastor of the church, declared this afternoon that the church has an option on the property, and that the price has been fixed at $25,000.

"The deal has not as yet been closed," said Mr. Smith, "because we are awaiting the action of the executive board, which is expected to make its report Feb. 2 or 3. If we purchase the property we will probably build a church there in the near future." The deal is being negotiated through George E. Legler, real estate dealer.

The Hamacher hotel was famous for its bar and its hospitality in the days when the farmer drove into Madison with his produce and dropped in for refreshment. It was then owned by Peter Hamacher from whom Mr. Milverstedt purchased it about 10 years ago.

SEEK TO DELAY BRITISH DEBT

Lord Chalmers to Make Plea to U. S., Says Paris Editor

(By the Associated Press)

PARIS — Lord Chalmers, permanent secretary of the British treasury, whose visit to the U. S., has been deferred for a short time, will be entrusted with a mission to obtain a postponement of the payment of the British debt to the U. S. until 1936 and 1947, says "Pertinax," political editor of the Echo de Paris. He declares Sir Auckland Geddes, British ambassador to the U. S. who has arriwed in this city, came here to report to Premier Lloyd George on the matter.

Credits established by the U. S. treasury in favor of Great Britain from April 24, 1917, up to November 15, 1920, totalled $4,277,000,000, upon which there has been a payment of $80,181,641.50.

Southern Wisconsin Electric Rates Raise

In the Matter of the Application of the Southern Wisconsin Electric Co. for authority to increase rates, the Railroad commission ruled today:

"The applicant asked for an increase or an adjustment of practically all of its schedules now in effect in the cities of Lake Geneva and Delavan and in the villages and towns of Genoa Junction, Walworth, Sharon, Clinton Junction, Darien, Fontana and Williams Bay. From the study which the Commission has made it appears that an increase of $25000 over 1920 revenues will be adequate for the company during 1921 although an increase of $32,000 was requested. The applicant's rates have been adjusted accordingly."

Mrs. Lawrence Files Claims For $25,000 Against Richmond Estate

Alleges That Husband Took Wallet to Lawyer's Office; Lewis Wants Sanction From the County Board for More Funds

District Attorney Lewis held a conference with Judge A. C. Hoppmann on the Lawrence case this morning.

Mr. Lewis evidently feels that he has to do something to live up to the newspaper stories that have been written concerning the Lawrence case or else admit that he had lent his official office to the perpetration of a big Hearst hoax on this community.

Mr. Lewis wants to start John Doe proceedings in order to give some standing to the stories that have been written but he is not satisfied that he will be justified in spending any more of the taxpayers' money on the basis of the evidence in his possession.

The district attorney wants to pass the buck to the county board. He is unwilling to put the county to any expense in the matter without sanction from the county board. The county board will meet next week and Mr. Lewis is now considering the advisability of asking the board to take action.

The Lawrence investigation has already cost the county more than $2,000. District Attorney Heilman retained a private detective who investigated the case and following the report of this detective, Mr. Heilman dropped the case.

That the county board will spend any more simply for the purpose of making the Hearst stories stand up is doubted, and it is believed that the county board will not sanction any more dissipation of public funds in the matter.

The question which will be put up to Mr. Lewis by members of the county board will be: "Show us that you have the goods and we will appropriate money."

District Attorney Lewis stated this morning that no guards are stationed at the Lawrence grave at the cemetery as reported in an evening paper.

Mr. Lewis stated today that he has made no application for warrants in the Lawrence case.

Mrs. Richard H. Lawrence has filed a claim against the estate of T. C. Richmond for $25,000.

Mrs. Lawrence alleges in the claim which was filed last week in the county court that on the afternoon on which he was killed Mr. Lawrence went to the office of T. C. Richmond with a wallet "bulging" with "papers, securities, etc." and that the contents of the wallet disappeared.

The claim was made out for Mrs. Lawrence by Thomas Reynolds, clerk of the county court. She came to the county court last week but she was not accompanied by a lawyer The claim which was filed in the county court follows:

"Madison, Wis., Jan. 10, 1921.

"T. C. Richmond of the law firm of Richmond, Jackman, Wilkie, and Toebaas

"To Mrs. Rachel D. Lawrence, widow and one of the heirs of the late Richard S. Lawrence, Dr.

"For withholding the contents of a wallet which contain the private papers, money, securities and effects of said Richard S. Lawrence. Said wallet and its contents were taken to the office of Richmond, Jackman Wilkie and Toebaas at the request of one or more members of the firm, to verify the amount of money and property the said Richard S. Lawrence possessed, and the amount he desired to bequeath to each of his heirs, under the terms of a will which had been under discussion by and between Richard S. Lawrence and one or more members of said firm from March 13, 1918 to March 21, 1918 the date of Mr. Lawrence death.

"Said will signed or unsigned, together with the aforementioned papers, moneys and effects, belongs to the estate of Richard S. Lawrence after his death, and were needed to establish the value of said estate in the probate court of Dane county.

"Evidence before the court shows that Richard S. Lawrence entered

(Continued on page 3)

CUNNINGHAM IS HERE

E. P. Cunningham, the detective who conducted the investigation into the Lawrence affair for former District Attorney Heilman is in the city today. Mr. Cunningham was the detective who caught Clarence F. Green, the Madison lawyer who disappeared after swindling a number of local people.

Mr. Cunningham refused to discuss the object of his visit here: "I have nothing to say," was his statement.

Mr. Cunninghom stated that he was on his way to the court house when interviewed by a reporter for The Capital Times.

DE VALERA NOW IS IN FRANCE

Irish Republic Head Interviewed by Correspondent

(By the Associated Press)

PARIS—Eamonn de Valera, Irish republican leader, whose arrival in Ireland from the U. S., was announced on Dec. 31, has been found "somewhere in France" by a correspondent of the newspaper Oeuvre.

In a conversation with the correspondent, De Valera is quoted as saying:

"I left America because, at a time when the English seek by an implacable policy of terrorism to frighten our people and weaken our moral force, it is the manifest duty of the chief of the Irish nation's representatives to be among his compatriots. Really, it was greatly to the advantage of Ireland that I remain in America."

High Court Confirms Gilbert Conviction

RED WING, Minn.—The U. S. supreme court mandate affirming the conviction of Joseph Gilbert, former non-Partisan league organizer, for violation of the Minnesota sedition act was filed in the district court here. It is understood Gilbert, who is out on bail, will give himself up here Feb. 5, to start service of a sentence of one year in the county jail and a fine of $500, which was fixed upon his conviction in Goodhue county district court in May, 1918.

WAUSAU, Wis.—Henry Kleinder, 70 years old, was instantly killed when a limb of a tree which he was felling struck him on the head.

WILLIAM CROFT HEADS FARMERS

Named First President of State Branch of United Farmers of America

William Croft, Wauzeka, was elected the first president of the Wisconsin branch of the United Farmers of America by a unanimous vote, yesterday at a convention held in the supervisors' room of the court house. C. B. Ballard of Appleton, former assemblyman, was unanimously chosen vice president.

State directors elected are: Oscar F. Rettig of Watertown, Charles Holz of Campbellsport, and John Mentink of Cedar Grove. Delegates to the national convention, to be held in Chicago Feb. 3-5, are: Nicholas Neupert of Johnson Creek, J. H. Carnahan of Black River Falls, Charles Holz of Campbellsport and Oscar Rettig of Watertown.

Election of officers and the adoption of a constitution, which is similar to the one of the state Equity society, formed the business of the afternoon meeting, which closed the two-day convention last night. President Croft stated that no attempts to establish branches of the United Farmers' society would be made where Equity societies are successfully functioning, only where they have failed.

Auto Breaks River Ice; Two Drowned

LA CROSE, Wis.—A. E. Vox, 32, and James Enos, 16, both of Brownsville, Minn., were drowned in the Mississippi river here when an automobile they were riding in with three other men broke through the ice as it was crossing over the frozen river.

WOMAN IN LOS ANGELES IS KIDNAPED

Mrs. Gladys Witherell is Held for Ransom, Say Relatives

MAKE DEATH THREAT

Kidnapers Demand Several Thousand Dollars From Husband

(By the Associated Press)

LOS ANGELES, Calif. — Mrs. Gladys Witherell, wife of O. S. Witherell, president of Loan and Investment Co. who disappeared from her home here Tuesday night, has been kidnapped and is being held for ransom, according to communications received by relatives today and believed bonafide by the police.

While the police were reticent, it was said, the husband had received communications from the alleged kidnappers demanding several thousand dollars and threatening to kill Mrs. Witherell unless the money was paid.

It was also said an appeal had been received indirectly from her begging for help.

Mrs. Witherell who is 23, was said to have received a call Tuesday night from a man who told her there had been an automobile accident nearby and that one of the victims was calling for her. She asked neighbors to care for her 18 months old baby and departed with the man.

COMMONS HITS THE OPEN SHOP

Tells Rotarians Result Would be Secret Unions

"Inefficiency of business management in maintaining security of the job for the wage earners is the cause of the present labor unrest and the outbreak of revolutionary movements," said Prof. John R. Commons, labor economist, in a talk on labor problems before the Rotary club Thursday noon.

"Unless capitalism maintains security of the job as well as security of investment," Dr. Commons continued, "we shall face conditions that are present in Europe. England has started to remedy conditions too late. We have made a start here with our workmen's compensation, but we must estsblish health insurance, unemployment insurance and old-age pensions."

"The open shop will mean the destruction of the union movement, which for 40 years has resisted the radical elements," he said. "Workers will have no open organizations, but they will have to resort to the secret unions and conspiracies Europe knows. Another menace to the trade union movement is the propaganda of intellectuals and socialists within the organization, who seek to unhorse Gompers. Success of either plan will change the character of the American Federation of Labor. It will be like the unions of England, France, or even Russia."

He started his discussion with an account of the success of 10 to 25 per cent of the manufacturers of the country in reducing unemployment by making the sales force insure uniformity of production.

"Seventy-five to 90 per cent of the employers are restrained by competition, inefficiency or greed from keeping up to the progressive employers who are meeting labor problems," said Dr. Commons.

Women With Babes Leap to Death in Sea

MANILA. — Women with babes in arms leaped overboard and were drowned or dashed to death against the rocks as a result of orders of the captain of the wrecked schooner Felicidad, at the mouth of the Agno river, according to statements of one of the rescued passengers. Official investigation was ordered here today into the conduct of the captain and crew of the wrecked vessel, following the loss of 38 lives in the wreck, mostly women and children. The captain ordered all hands to jump overboard when the schooner appeared to be breaking to pieces, according to the survivors' account. Among the 14 survivors were the Captain and four of the crew. Those of the crew and 33 passengers were lost.

"They WORK while you sleep"

Cascarets

You are constipated, bilious, and what you need is one or two Cascarets tonight sure for your liver and bowels. Then you will wake up wondering what became of your dizziness, sick headache, bad cold, or upset, gassy stomach. No griping—no inconvenience. Children love Cascarets too. 10, 25, 50 cents—Adv.

Can't Raise Pay of Racine School Head

RACINE, Wis.—The city of Racine, the city treasurer and the city clerk have been temporarily enjoined by the circuit court from paying to Frank M. Longanecker, superintendent of schools, and to Joseph J. Moritz, secretary to the board of education, any money in excess of their old salaries. The proceedings were commenced by Ald. John Seib, president of the city council, to test the powers of the board of education to increase salaries where there are existing contracts in force. The city treasurer was prepared to pay the salaries of the two officials tomorrow. Recently the board of education voted to increase Longanecker's salary from $4,700 to $6,000 and to give Moritz an increase from $2,700 to $3,600.

CARDINAL BOARD MEETING

There will be a regular meeting of the Cardinal Board of Control on Thursday, January 27, at 7:30.

WILL RADIUM AT LAST OPEN THE DOOR OF THE GREAT UNKNOWN?

If you are sick and want to Get Well and Keep Well, write for literature that tells How and Why this almost unknown and wonderful new element brings relief to so many sufferers from Constipation, Rheumatism, Sciatica, Gout, Neuritis, Neuralgia, Nervous Prostration, High Blood Pressure and diseases of the Stomach, Heart, Lungs, Liver, Kidneys and other ailments. You wear Degnen's Radio-Active Solar Pad day and night, receiving the Radio-Active Rays continuously into your system, causing a healthy circulation, overcoming sluggishness, throwing off impurities and restoring the tissues and nerves to a normal condition—and the next thing you know you are getting well.

Sold on a test proposition. You are thoroughly satisfied it is helping you before the appliance is yours. Nothing to do but wear it. No trouble or expense, and the most wonderful fact about the appliance is that it is sold so reasonable that it is within the reach of all, both rich and poor.

No matter how bad your ailment, or how long standing, we will be pleased to have you try it at our risk. For full information write today—not tomorrow. Radium Appliance Co., 661 Bradbury Bldg., Los Angeles, Calif.—Adv.

RELIEF FUND IN CITY GROWING

State Chairman for Drive Confers With Local Committee

E. J. Kearney of Milwaukee, chairman for Wisconsin of the drive for the children of Europe, was in the city yesterday and conferred with Don E. Mowry of the Association of Commerce regarding the progress of the drive in Dane county.

Before accepting the chairmanship for this drive Mr. Kearney went east and conferred with Mr. Hoover and people who had been engaged in relief work in Europe to find out the actual conditions. He states that the conditions are simply beyond conception. The milk situation alone is almost unbelievable, only the very young children receiving any milk at all and then only a very small portion, the older children and adults receiving none at all, said Mr. Kearney.

Major A. S. Merz, who has just returned from service in Siberia, via Russia and Germany, reported that in Berlin there were 150,000 children from five years of age up and women on the streets of Berlin begging for food.

Mr. Kearney emphasized the fact that the drive is not being conducted for the children of Germany alone, for the American Relief Administration is conducting relief work in every country to which they have been given admittance. Subscribers may designate the country in which they wish their money used.

"Many counties of the state have already gone over the top in meeting their quotas in the drive," said Mr. Kearney. "One little county in northern Wisconsin, in the woods, which has been assigned a quota of $1,000 sent in $2,000. To date Dane county has raised approximately $5,000 which has been sent through your official committee. Milwaukee county has raised $300,000 and we are looking to Dane county to finish up its work shortly and report its entire quota of $12,000 raised."

URGES 10-ACRE SCHOOL GROUND

Assemblyman Larson Asks School Community Centers

A plea for a 10 acre plot around every rural school house built in the future in Wisconsin was voiced by James Larson, an assemblyman from Marinette, in the legislature in 1913, before the assembly state affairs committee Wednesday afternoon. Mr. Larson appeared before the committee to ask that the committee introduce a bill as its own.

The provisions of the measure would not apply to the grounds around present school houses. It was the contention of Assemblyman Larson that a 10 acre plot around each school house would give the school sufficient land for experimental purposes. He says that such a school house would become a community center, visited by every person in the district and that great good for the people would be obtained by the enactment of such a measure.

The committee indicated that it favored larger school grounds but many of the members pointed out that 10 acres of ground might be a needlessly large area. Larson in his arguments claimed that if children had spacious playgrounds for recreation and fine community center buildings in which to meet there would be less crime in the United States. No action was taken by the committee on the Larson proposal.

A. F. OF L. ASK INSURANCE LAW

State Body for Compulsory Unemployment Insurance

Compulsory Americanization of Wisconsin industrial workers who can neither read nor write the English language will be proposed in a bill to be introduced in the state legislature, with the backing of the American Federation of Labor.

The A. F. of L. is also interested in a bill being prepared to institute compulsory unemployment insurance for industrial workers. Proponents of the insuring of workers against unemployment, never before attempted in this country, say the measure now being prepared with the assistance of economic experts at the state university, will be one of the most far-reaching pieces of legislation ever presented to the legislature.

The American Federation of Labor's legislative program, part of which has already been realized through the introduction of bills, includes in addition to the Americanization and insurance measures:

Free text books.

Straight eight hour day, with agricultural workers exempt.

Weekly pay law.

Old age pensions.

Rehabilitation of the industrial handicapped, including the blind.

Increased mother's pensions.

Full time compulsory education for all children up to 16 years of age, instead of 14 years, as at present.

Extension of vocational training for children in industry to 12 hours per week, instead of eight; making such training compulsory for children up to 18 years of age, instead of 17.

Increased salaries of school teachers.

Other bills proposed or already introduced would amend the boiler inspection law, one day rest in seven and workmen's compensation laws, extending their provisions to classes not at present covered.

The Americanization bill now being drafted is designed with the double purpose of educating foreigners already in the state, and discouraging the further importation of illiterate persons to work in Wisconsin industries.

As it is being prepared the bill provides that all industrial workers who can not read and write shall attend schools for the same number of hour per week as provided for the vocational training of minors, such school attendance to be during the working hours, and on the employer's time. Under the present vocational law eight hours school attendance each week would be required, but another bill proposes to extend the period to twelve hours a week.

The A. F. of L. is also interested in marketing legislation but is waiting to see the bill to be presented by the marketing division before taking any action, according to J. J. Handley, secretary-treasurer of the state federation. "If the marketing division's bill makes proper provision for the interests of the consumer, we will support it," Mr. Handley said. "Otherwise we will have a bill presented to look out for the consumer's end."

COMMERCE STUDENTS

Requests from alumni for Commerce magazines of the November and December issues have exceeded the supply. Students who have read their magazines are asked to leave them at the Commerce office.

Stone; benevolence committee, Mrs. Alice Van Wagenen, Mrs. D. E. Kelley, J. S. Meyers; parsonage, J. S. Main, W. M. Derthick, Gustow Bohstedt, Roy Harris, Mrs. L. C. Crump.

STRANGE POISONING!

The most eminent physicians rec ognize that uric acid stored up in th system is the cause of rheumatism that this uric acid poison is presen in the joints, muscles, or nerves. B experimenting and analysis at th Invalids' Hotel and Surgical Institut in Buffalo, N. Y., Dr. Pierce discov ered a combination of native reme dies that he called "An-uric"—whic dissolves out the uric acid from th system, and in this way the pain swelling and inflammation subside If you are a sufferer from rheuma tism, backache, pains here or there you should obtain "Anuric" at th drug store; or send Dr. Pierce 10c fo trial package. "Anuric" is many times more potent than lithia.

Facts on Asphalt Shingles

About eight or ten years ago when Asphalt Shingles first came on the market in Madison there was a question in everybody's mind as to their lasting quality.

Now that this point has been proved you see Asphalt Shingles going on nearly every house that is being built in the City of Madison and every other city in fact, and the same is true to reroofing houses.

We are in a position to furnish you with shingles, roofing, tar and gravel and asphalt built up roofs at all times. Get our prices before buying elsewhere. Get our bond guarantee on that gravel or asphalt roof.

GENERAL PAPER & SUPPLY CO. 714-716 Williamson Street, Phones B. 4118-4119-F. 189

MRS. LAWRENCE FILES BIG SUIT

(Continued from Page 1)

he offices of the above law firm at 30 p. m. on March 21, 1918, the y of his death; that at the time he wallet aforesaid was so full of apers, securities, etc., that it was ulging; that on March 28, 1918, he empty wallet was given to Mr. J. Reynolds, attorney for the Richard S. Lawrence estate by T. C. Richmond, and listed by Richard Puckert with with the deeds of the Lawrence home which had been found at the First National bank in Madison, together with papers which had been given to Mr. T. C. Richmond and Mr. E. J. Lawrence by Mrs. Rachel D. Lawrence at her home on March 23, 1918 which have since been verified and were of no special value.

"Diligent search was made following Mr. Lawrence's death for the wallet in question, which was known to contain what they came to the home to get, Viz.: some verification of what Mr. Richard S. Lawrence had told them he had to give. This was given as the cause of their visit of March 23 and search was made that day.

"As subsequent events proved that the wallet and its contents were in their possession at that time, the estate of Richard Scott Lawrence has been held open two years and ten and one-half months and Mrs. Richard D. Lawrence as one of the heirs, has been deprived of her legacy in said estate, and that there is now due her the sum of 25,000 which is hereby entered as a claim against the said T. C. Richmond, his heirs and assigns.

"Rachel D. Lawrence, Claimant.

"Subscribed and sworn to before me this 10th day of January, 1921.

"Thomas Reynolds,

"Clerk of County Court of Dane Co."

200 Farmers Attend Platteville School

More than 200 farmers and their wives attended the opening session of the winter short course for farmers at the normal school in Platteville. George W. Davis, secretary of the Wisconsin Livestock Breeders' association, advocated that more attention be given to stock judging in Wisconsin schools and pointed out the value of having calf clubs in every community as a means of developing future stock men. H. W. Griswold of West Salem, one of the best known stock breeders in the state, spoke about the Guernsey cow. Other speakers who will talk during the course are John S. Donald, former secretary of state, on Farm Accounting; C. P. Norgord, commissioner of agriculture, on Livestock Diseases and Rural Planning, and J. B. Houston of the Equity society. The domestic science department tendered a banquet to the members.

GIRL'S STATEMENT WILL HELP MADISON

Many women will profit by the following statement of one of their sex: "I was afraid to eat on account of stomach trouble. Even rice did not agree. After taking Adler-i-ka I can eat anything." Adler-i-ka acts on BOTH upper and lower bowel, removing foul matter which poisoned stomach. EXCELLENT for gas on the stomach or sour stomach. Guards against appendicitis. It brings out poisonous matter you never thought was in your system. Henry Lewis, druggist.—Adv.

WOULD DEPORT DRY VIOLATORS

Dennhardt for Action Against Alien Offenders

By FRED L. HOLMES

Deportation of aliens who violate the liquor laws of the state was urged in a resolution offered in the upper house on Thursday by Sen. Julius H. Dennhardt of Neenah. The resolution is in the form of a memorial to congress. It follows:

"Whereas, It is the established policy of this nation to prevent the sale and manufacture for sale of all intoxicating liquors for beverage purposes; and

"Whereas, The federal government and the different state have passed laws to uphold and perpetuate this established policy; and

"Whereas, It is a fact well known to all that aliens in large numbers are openly, definantly, and continuously disregarding these laws; and

"Whereas, Open violation of law by certain aliens must necessarily have a demoralizing effect upon those aliens who when properly guided honestly endeavor to obey our laws and become upright American citizens; now, therefore, be it

"Resolved by the senate, the assembly concurring, That the president of the United States and the congress of the United States be, and they hereby are memorialized and respectfully but most urgently requested to pass the necessary laws requiring the deportation of all aliens who violate the liquor laws either of the federal government of any of the different states, and the confiscation of the property of any alien found guilty of any such offenses; and be it further

"Resolved, That a suitable copy of this resolution properly attested be transmitted to the president of the United States, the presiding officer of each house of the congress of the United States, ond to each United States senator and representative in congress from this state."

State Utilities Are Granted Rate Raise

The Columbia County Telephone Co. was given an increase in rates by the railroad commission on Wednesday. The new rates are for local service within the village limits of De Forest; business, $1.75 net; residence $1.50 net; rural service, $1.25 net. Rates of the Wilton Light and Power Co., Wilton, were increased. Commercial and residence lighting is $1 net per month, minimum charge; energy 15 cents net kw. hr. Rates of the Bayfield Farmer's Telephone Co. were fixed. Rural subscribers $2.00 net per month for telephones within six miles of central office. Beyond this radius extra charge of 25 cents per mile is made. The Fond du Lac Rural Telephone Co. has a rate of $5.50 net per quarter for each telephone. The American Railway Express Co. was granted an additional 13½ per cent. That makes it an increase of 26 percent since last September. This will make the state rates correspond with the interstate commerce rates.

Negro Charged With Murder is Lynched

OSCEOLA, Ark.—Henry Lowery, negro, charged with the murder of C. T. Craig and his daughter at Nodena, Christmas day, was burned to death by a mob last night on the Mississippi river levee near the Craig plantation.

Lowery was taken across the river into Arkansas by the group of men which earlier had taken him from the Officers at Sardis, Miss. The negro was driven to Nodena, where the Craig plantation is located, according to information received here. The mob then took him to the levee near the scene of the crime and driving a stake into the ground, chained the negro and burned him to death.

Edward G. Uihlein Dies in Milwaukee

MILWAUKEE—Edward G. Uihlein, former vice president of the Schlitz Brewing Co., of Milwaukee, is dead. Born at Wortheim, Germany in 1845 Mr. Uihlein came to America at the age of 19. He was 54 years a resident of Chicago. He has been a member of the board of directors and vice president of the Schlitz Brewing Co. since 1872.

Smallpox Cases in Madison Increasing

There are many cases of smallpox and scarlet fever in Madison, although according to Dr. H. E. Purcell, city health officer, neither disease could be classes as an epidemic. There are 15 patients at the isolation hospital, East Washington avenue, capable of caring for about 20. Dr. Purcell yesterday ordered vaccination of all children attending the Draper school, North Park and W. Johnson street, which work is to be completed by Monday.

County Board to Convene Next Week

A report on the advisability of engaging an agricultural agent for Dane county will be made by the committee on settlement of the county board, when the board convenes Monday for a five-day session at the courthouse. The committee will also report on the county clerk's accounts, which it has audited. Little business of any importance is scheduled for the session.

HEADS PROM MUSIC COMMITTEE

PAUL FISCHEDICK —Courtesy De Longe

Paul Fischedick is chairman of the Prom music committee which has secured Ischam Jones and his Rainbo Gardens orchestra to play at the 1922 Junior Prom, and also has charge of the ticket sale for "Up in Mary's Attic," the Prom benefit movie, to be given at the Grand theater Thursday and Friday of this week.

Fischedick, a junior in the College of Letters and Science, is a member of Kappa Sigma fraternity. He was in the University Glee club last year, and is on the organization staff of the 1922 Badger. His home is in Milwaukee.

ISSUES RULING ON VACCINATION

State Board of Health to Enforce School Rules, Decision

State school rules requiring vaccination of children on order of a local board of health as a pre-requisite to school attendance, will be enforced to the extent of the authority of the state board of health, according to a decision arrived at in the annual meeting of the board here yesterday.

The board ordered Health Commissioner M. J. Gosin of Green Bay to issue a new order extending the time in which vaccination may be performed in that city, where a smallpox epidemic is said to exist. The law requires that 25 days be granted the school children to comply with its provisions.

A teacher who refuses to evict unvaccinated children in the face of the health commissioner's order requiring evidence of vaccination, will be subject to prosecution, the department held.

State Health Officer C. A. Harper has said that the proposed injunction to be brought by anti-vaccination forces in Green Bay will be contested by the state.

Says British Ship Pact Not a Secret

NEW YORK—P. A. S. Franklin, president of the Mercantile Marine Co. said he wired a denial to William Denman, of Chicago, former chairman of the shipping board that the Marine company's agreement with the British government ever was a secret.

Mrs. C. Vanderbilt Weds S. J. Coldford

NHW YORK—Mrs. C. N. Vanderbilt who obtained a divorce from Reginald C. Vanderbilt in 1919, and Sidney Jones Coldford, Jr., were married at the bride's home in the presence of a few friends.

Blaine Names Feb. 6 China Relief Day

Gov. Blaine yesterday set Feb. 6 at China famine Sunday for Wisconsin in a proclamation in which he pointed to the distressing conditions that exist in China and asked that citizens give as generously as possible.

LOOK IN THE WANT ADS

VIOLENT JAR IN NEW JERSEY STILL A DEEP MYSTERY

Shock Rocks Buildings; Scientists Disclaim Earthquake

(By the Associated Press)

PHILADELPHIA—The public was still mystified today concerning the shock that may have been caused by an earthquake which was felt last night in central and Southern New Jersey and in eastern Pennsylvania.

While reports continued to be received of foundations of houses loosened and pictures knocked from walls, no loss of life or injury to persons had been heard of this morning.

The theory that the disturbance had been caused by an explosion of great force was abandoned in most quarters. Scientists at Swartmore college maintained that it could not have been caused by a tremor as their delicately adjusted instruments could not have failed to register such a disturbance.

JAPS TO PROBE LANGDON DEATH

Promise Thorough Investigation in Note to U. S.

(By the Associated Press)

WASHINGTON Developments in the Japanese situation, following the attention given that subject by members of the senate foreign relations committee in questioning Under Secretary of State Davis on the cable situation, were pointed to as indicating that the redefining of policy between the two countries would, at least for a time, overshadow in importance all other question.

A note from the Japanese government promising "a thorough investigation" of the killing of Lieut. W. H. Langdon, American naval officer, by a Japanese sentry at Vladivostok was interpreted in connection with earlier expressions of regret by Japanese officials as meaning that the incident will finally be adjusted so as not to delay solution of other problems between the two countries.

Admiral Gleaves, commanding the Asiatic fleet, reported to the navy department today that his inquiry had developed that Langdon was the victim of an "unwarranted attack." The Japanese have not as yet completed their court-martial of the sentry.

CITY IN BRIEF

Go to Encampment—Madison's crack cavalry troop, the governor's guards, will participate next summer in a two weeks' encampment at Camp Douglas, where it will train with regular army cavalry, Adjt. Gen. Holway announced yesterday.

Machine Exhibit — The program for an exhibition of highway construction machinery and a highway construction school January 31 to Feb. 4, is being completed by the state highway commission, which has erected a large tent on the lower campus, where the machinery will be displayed.

Grants New Trial—Judge Stevens of the circuit court yesterday granted a petition of M. J. Johnson et al., for a new trial of the action against Henry Grundahl, who was acquitted by a jury of skimming milk delivered to the cheese factory owned by Johnson, Grundahl Sever Rundhaug and Paul and Carl Syftestad, all of Perry.

Raise $100 For Vets—A card party at Grace Episcopal church yesterday afternoon raised $100 for relief of disabled soldiers intered in Mendota and the South Madison hospitals. It was given under the auspices of the Service Star legion.

Goes to St. Joseph—Clive M. Finegan has accepted the position of assistant secretary and treasurer of the St. Joseph Gas Co. at St. Joseph, Mo. He has been connected during the past two years with the Madison Gas & Electric Co., serving in the capacity of general bookkeeper. The St. Joseph company is another property of the American Light & Traction Co.

"Y" Convention—The board of directions of the city Y. M. C. A. will probably choose seven delegates Saturday night to attend the annual state Y. M. C. A. convention at Milwaukee Feb. 7. Among the speakers will be H. A. Moehlenpah, former member of the federal reserve board, and J. Stitt Wilson, former mayor of Berkeley, Calif., who spoke at the university religious conference last fall.

Tax Conference—Harry Jerome, Dane county income tax assessor, yesterday addressed a conference of state assessors of incomes in the capitol and pointed out peculiar features of tax laws of states bordering Wisconsin. The conference has under consideration the model tax system as recommended by the National tax conference. Nils P. Haugen, chairman of the state tax commission, addressed the morning session on the advantages of the model system. A. J. Myrland this morning gave an address on the history of tax legislation.

Breeders Elect—Charles Wilkins of Platteville was elected president of the Southwestern Wisconsin Guernsey Breeders' association at the annual meeting Tuesday in Platteville. Fred Davis of Livingston was elected vice president and Frank Meyer of Lancaster secretary treasurer.

Pardon Pleas—Seventeen requests for pardon have been filed with Gov. Blaine to be considered at his first hearing Feb. 2, an exceptionally large list of applicants. Four prisoners sentenced for murder have asked for a reconsideration of their cases. Grace Lusk has again entered her request.

Women Raise $213 For Hoover Fund

The sum of $213.85 was collected at the Strand theater last night by nine Madison women, members of the Service Star Legion and several other women to be sent to the Hoover fund for the starving children of Europa. Another benefit show is to be held at the theater Saturday morning at 10:30. Every theater manager in the city will cooperate by adding something to this performance, Fred Heider, headliner in Lister Lester, musical comedy, being offered by Harold Donovan, manager of the Fuller. The proceeds will be added to the present sum.

HEAD FINANCE, AND PRESS PUBLICITY COMMITTEES FOR 1922 JUNIOR PROM

WILLIAM B. ELLIS

WILLIAM M. SALE —Courtesy De Longe

William B. Ellis is in charge of the ways and means committee, with the duty of providing a way to meet all Prom expenses and keeping the affair on as economical a basis as possible.

Ellis is a member of Alpha Delta Phi fraternity and a junior in the College of Letters and Science. He won his "W" as football manager ast fall and is a member of Inner Gate and Ku Klux Klan. He entered as a sophomore from Brown university.

William Sale is handling publicity for Prom and the pre-Prom events. It has been the policy of the publicity committee this year to keep Prom in its rightful position as the leading social event at the university and, at the same time, curb any stories which may reflect a "colored" handling of news.

Sale, a junior in the College of Letters and Science, is a member of Alpha Tau Omega fraternity and of Ku Klux Klan. He is desk editor of The Daily Cardinal, was on the athletic staff of the 1921 Badger and is editor of the Press section of the 1922 Badger. His home is in Louisville, Kentucky.

SHOREWOOD PLAN IN HEALTH WORK BACKED BY STATE

Isolation First, Diagnosis Afterwards is Slogan of Project

"Isolation first and diagnosis afterwards" is the keynote of the method employed in preventing and controlling communicable diseases in Shorewood, a Milwaukee suburb. How this comparatively new method is applied was recently related before a conference of health officers here by W. C. Sieker, the lay health officer of the village.

Mr. Sieker's exposition of the Shorewood plan is now available in pamphlet form, and a copy will be mailed free by the State Board of Health to all interested. A postcard request will bring it.

The state board of health regards the Shorewood plan as something more than an experiment, and believes it could be applied with great benefit to many localities in Wisconsin.

Mr. Sieker holds that the public interests are paramount to those of the individual. In applying this principle to the control of communicable diseases three departures from generally accepted public health practice were made, as follows:

1. Isolating first and diagnosing afterwards.
2. Placarding on suspicion.
3. Substituting in large part educational propaganda for the exercising of police power.

PRESS CLUB

Very special meeting for all members of Press club at 11:50, today in South hall. Most important meeting of the year.

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply —of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Our Cafeteria

Is conducted in a thoroughly efficient manner. You can order almost anything that you ordinarily order in a restaurant.

Everything served is absolutely the best money can buy and it is cooked just like mother used to cook.

No tips, no waiting, but complete satisfaction. Quick is the motto.

NOTICE TO TAXPAYERS OF THE TOWN OF MADISON

At a meeting of the Town Board the Board authorized the extension of the time limit for the payment of taxes without penalty to Feb. 15, 1921.

OTTO F. TOEPFER, Chairman,
GEO. F. GREGG, Supervisor,
CHESTER WILCOX, Supervisor.

Lives to See the Prescription He Wrote in 1892 the Worlds Most Popular Laxative Remedy

DR. W. B. CALDWELL TODAY
Born Shelbyville, Mo., March 27, 1839
Began the manufacture of his famous prescription in 1892

Founder of Dr. Caldwell's Syrup Pepsin, the largest selling liquid laxative in the world, long past Biblical old age, but hale and hearty—Still sees patients daily—Wonderful achievement of a "country doctor."

WHEN I started to practice medicine, back in 1875, there were no pills or tablets or salt waters for the relief of constipation, and no artificial remedies made from coal tar.

The prescription for constipation that I used early in my practice, and which I put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid remedy, and I have never had reason to change it. I intended it for women, children and elderly people, and these need just such a mild, safe, gentle bowel stimulant as Syrup Pepsin.

I am gratified to say that under successful management my prescription has proven its worth and is now the largest selling liquid laxative in the world. The fact that over eight million bottles were sold by druggists last year proves that it has won the confidence of mothers whose chief interest is the health of their children.

It is particularly pleasing to me to know that the biggest half of those eight million bottles were bought by mothers for themselves and the children, though Syrup Pepsin is just as valuable for grownups. The price of a bottle holding 50 average treatments is sixty cents; such a bottle will last a family several months.

I have never made a secret of what is in Dr. Caldwell's Syrup Pepsin. It is a compound of Egyptian Senna and other simple laxative herbs with pepsin and pleasant-tasting aromatics. These ingredients are endorsed in the U. S. Pharmacopoeia. I consider Syrup Pepsin today in the serious 82nd year of my age, as I did in 1892, the best remedy a family can have in the house for the safe relief of constipation and its accompanying ills, such as headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds and fevers.

Millions of families are now never without Dr. Caldwell's Syrup Pepsin, and I believe if you will once start using it you will also always have a bottle handy for emergencies.

TRY IT FREE *Send me your name and address and I will send you a free trial bottle of my Syrup Pepsin. Address me Dr. W. B. Caldwell, 513 Washington Street, Monticello, Illinois. Everybody now and then needs a laxative, and it is well to know the best. Write me today.*

ALLIES BREAK ON REPARATION

French and British in Sharp Conflict on Policies

(By the Associated Press)

PARIS — It was understood this morning that the British delegation attending the session of the supreme allied council considered it impossible to agree to the French viewpoint regarding German reparations.

The morning's sitting of the council was cancelled in order that David Lloyd George, British prime minister might have an opportunity to talk privately with members of the council regarding the French position as set forth today by A. Paul Doumar, French minister of finance.

France was understood to stand firmly on the provisions of the Versailles treaty which placed the whole subject of German indemnities in the hands of the allied reparations commission. Great Britain, on the other hand, adhered to the agreement reached last year at Boulogne, by which it was stipulated Germany should pay annually an average of six billion marks and it was understood Belgium supported the British viewpoint.

Recommendations by allied military experts relative to the disarmament of Germany were to have been considered by the council today. Marshal Foch was reported to have added to the recommendations a demand for the fixing of penalties in case Germany should not comply with the allied terms. It was believed the experts' report would overcome objections encountered when the subject was discussed at the opening session of the council last Monday.

Recognition of Letvia and Esthonia, two Baltic states formed out of parts of the former Russian empire, has been decided upon but action regarding Lithuania and Georgia has been deferred for the time being. The action of the council regarding Letvia and Esthonia was opposed to the views of the United States as outlined by Sec'y Colby in his note to the Italian ambassador at Washington last November.

CASE PLOW CO. WILL REOPEN

Racine Firm to Operate on 3-Day Basis, Announcement

(By the Associated Press)

RACINE, Wis.—Recognizing the urgent need of the large number of unemployed brought on by dormant business conditions, the J. I. Case Plow Works Co., announced today the opening of its plant on a three day a week schedule, effective Feb. 1.

The management, further announced a desire to learn of any of its employees needing immediate assistance to tide them over the period of depression.

H. M. Wallis, president, said that his company felt that while business was not normal it was better to employ more men on a three day per week schedule than a smaller number on a full week basis.

"We need more faith and confidence," said Mr. Wallis. "This country was made by the it and will continue to prosper by it. Any deflation or reconstruction perior is severe. We must be hopeful, standing back to back as we did in winning the world war."

Preference will be given to married men and single men with dependents.

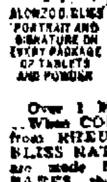

CAPITOL BILL IS POSTPONED

Senate Committee Buries Czerwinski Annex Resolution

There will be no legislative investigation of the congested conditions in the state capitol with a view to erecting a new capitol branch building at Milwaukee if the senate follows the recommendation of the state affairs committee and indefinitely postpones the Czerwinski resolution.

The resolution was given a hearing and the committee recommended it for indefinite postponement. It also recommended indefinite postponement of his resolution for making Armistice Day a legal holiday and for erection of cold storage plants.

The senate corporations committee unfavorably recommended the Czerwinski eight hour bill and the bill by Czerwinski to increase the exemptions under the income law.

ALONZO BLISS PORTRAIT AND SIGNATURE ON EVERY PACKAGE OF TABLETS AND POWDER

BLISS NATIVE HERBS

Over 1 Million Tablets Taken Daily. They strengthen the bowels, and remove undigested refuse food, the fermentation of which starts many diseases. MONEY-BACK GUARANTEE in each box. A. O. BLISS CO., WASH., D. C.

U. S. Property Held in Germany Released

BERLIN—American property in Germany which was taken under control by the German custodian of enemy property after the U. S. entered the war has been unconditionally released, said Dr. Haniel Von Haimhausen, under secretary for foreign affairs today. Out of 186 of such factories taken over by the custodian, Germany received only 26,000,000 marks out of their administration. The German custodian of American funds has been instructed to provide Americans with whose interest he was entrusted with funds for their maintenance, pending ultimate settlement.

DEBS PARDON UP TO WILSON

WASHINGTON — Recommendations of the department of justice as to a pardon for Eugene V. Debs, who is serving a prison term at Atlanta, for violation of the espionage act, probably will be submitted to Pres. Wilson within a few days.

It was said today a study of the case had been completed by the department's attorneys and put before Atty. Gen. Palmer. Pres. Wilson has said however, that he would not pardon Debs as he believed such action might lower the morale of the people in the event of another war.

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back hurts or Bladder bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have sever headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can made a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

FUSION LEAGUE IS LAUNCHED

Farm-Labor Bodies in Peoples' Reconstruction League

(By the Associated Press)

WASHINGTON—Organization of the People's Reconstruction league, described as a non-partisan union of farmer and labor organizations, to carry out a program "of economic justice which will save American workers six billion dollars a year," was announced at headquarters of the league here today.

Headed by Herbert F. Baker, president of the Farmers' National council, other officers of the league, include William H. Johnston, president of the International Association of Machinists, and Mrs. Florence Kelly, vice presidents, and Warren S. Stone, chief of the Brotherhood of Locomotive Engineers; L. E. Sheppard, president of the Order of Railway Conductors of America, members of the executive committee. The league announced it stood for government operation of the railroads; payment of the war costs by "taxing privilege instead of poverty;" changes in the nation's banking and credit system which "will make it the servant instead of the master of the people," and "strict control" of natural resources.

13 BILLION DOLLARS IN U. S. TREASURY

Count Shows 10 Billion More Than Usual in National Chest

(By the Associated Press)

WASHINGTON — Acting Treasurer Allen announced today that a total $13,883,819,826.36 2-2 in cash and securities was found in the treasury as a result of the count necessitated by the resignation of John Burke as treasurer. This total is about $10,000,000,000 greater than usual and is accounted for by approximately that amount of notes deposited by foreign governments for war loans. The actual cash on hand at the time of the count was $97,410,283.02. The remainder is in paper currency held in reserve, incomplete currency certificates, incomplete gold certificates and Bonds and other securities held in trust.

The last previous count in 1913 showed a total of $1,426,422,061.48 of which the total cash amounted to $1,199,231,911.90.

The present count showed $4,726,553.11 in gold coin, $45,790,572 in standard silver dollars compared with gold coin totalling $2,505,722.98 and standard silver dollars totalling $156,893,689 in 1913. No shortage was revealed by the count, Treasurer said.

ENGLISH SHIP CONTROL DENIED

Franklin Says Contract Did Not Affect U. S. Tonnage

WASHINGTON—Denial that a contract made in 1903 between the British government and the International Mercantile Marine "had anything to do" with the company's American registered tonnage, was made today by P. A. S. Franklin, president of the shipping concern appearing at the opening of the shipping board's inquiry as to circumstances surrounding the contract.

The witness said he challenged any statement that the company was not "100 per cent American." He submitted shareholder lists which he said showed 94 per cent of common and preferred stock in American hands while foreign holdings were divided less than one-half of one per cent to England; five and a half per cent to Holland and a small fraction of one per cent to other European and some South American nations. There were 5,421 American stockholders out of 5,605, he said.

"The British government has no control or ownership in the International Mercantile Marine," he added, "in any way, shape, or form. The International Mercantile Marine has paid more than $30,0000,000 to its American stock owners and not a cent has been paid to any foreign stockholder."

8,000 PERSONS IN STATE KEEP BEES

About 8,000 persons in Wisconsin keep bees. Through the efforts of the economic entomology department, working in cooperation with the state and local organization, more interest has been aroused in the matter of apiculture within the last two or three years than ever before. The most serious drawback to the development of this industry is the widespread distribution of the various brood diseases that have gained a strong foothold i nthe state. Bee diseases on the one hand and winter losses on the other, have actually caused a decrease of from 30 per cent to 50 per cent of all colonies in the state between the years 1900 and 1912.

Through better inspection laws and education work this situation is being slowly remedied.

The annual winter loss of bees in Wisconsin ranges from 10 to 30 per cent, some years running much higher. The main cause is poor stores that contain foreign substances such as gums or dextrins which cannot be digested by the bees. These losses can be prevented in large measure by making sure that the quality of stores is of high grade.

Special Showing of— Manhattan Shirts at $2.75 to $5.50

For quality of fabric and detail of workmanship, men will find these values extraordinary. And the unusual variety of patterns and colorings makes selection an easy matter, for practically every taste is to be met. Of course when you know that they are made of fine woven madras, you will know they are hard to equal for wear, but you won't know how really good they are until you see their beautiful patterns and colorings. Maybe we were lucky to get such exceptionally fine shirts in unusually good looking patterns and attractive colorings at a low price—but not any luckier than you are, for we are passing the saving on to you. These values will help out a lot—they will give you the kind of fabric you want, the kind of patterns and colorings you like, the kind of prices that make it easy to pick out a few extra ones. We advise early selection, however, for active purchasing is anticipated at these prices—**$2.75 to $5.50.**

1920 Cotton Exports Beat All Other Goods

WASHINGTON — Cotton exports last year exceeded those of any other commodity, according to a review of foreign trade for that period made public today by the department of commerce. Shipments of the white staple were valued at $1,136,408,916 as compared with $1,137,871,252 the year before. Exports of breadstuffs were valued at $1,079,085,838 as against $920,301,977 in 1919. Cottonseed oil exports totalled $34,874,790, a decrease from the 1919 total of $40,890,268. Mineral oils were valued at $549,848,840 as compared with $843,473,432 the year before and products dropped from $1,160,643,185 in 1919 to $544,074,050 in 1920.

MILTON, Wis.— The funeral of Paul M. Greene, 83, local banker and trustee of Milton College, was held today, death having followed an illness of two weeks. For several years he had been in failing health and had taken no active part in business affairs. Greene was president of the bank of Milton, a member o fthe Odd Fellows and had served on the college board of trustees for 40 years.

UNITED STATES IS NINTH IN GENERAL EDUCATION, REPORT

Education Committee Recommends Federal Aid for Education

(By the Associated Press)

WASHINGTON — The United States was declared to rank ninth among nations in the general educational level of its people, in a report of the House committee on education made public today, recommending passage of the Smith-Towner bill to establish a federal department of education with federal aid in increasing educational facilities. The country is trailing behind "most of the civilized world" the report said, from the standpoint of its educational advantages.

The proposed measure offers the only means, the report declared, of correcting the present inequality of educational opportunities and preventing waste of public funds and inefficiency due to lack of coordination among federal agencies dealing with education.

"There is nothing of more importance in our scheme of government than the education of the people" it continued. "Whatever else may be left out, education cannot safely be excluded. If there is one thing that justifies a tax on the country, it is that which strengthens and supports our public schools."

Dean Nardin's Illness Continues

Dean F. Louise Nardin is at home by physician's orders, suffering from a severe cold. She will probably return to her office Monday. Dean Nardin's tea for all university women will not be held Friday afternoon.

Be Slender

True way to become slender, agile, healthy, is now yours. See the pictures: the shadows are to give you idea of size before reduction of weight. No starving or tedious exercises. No dosing with salts, etc.; no thyroid, no loss of time. Just follow the simple, easy Korein system and reduce 10 to 60 pounds (whatever you need) under money-refund guarantee. Safe, reliable, recommended by physicians. Add to your capability and charm. Amaze all who know you. Become lighter in step, younger in appearance, attractive, gain in health, add years to your life! Take your measurements and weight often and look at yourself in mirror to know the great benefit. Don't lose any more time; start now and enjoy the thrill of becoming slender. Ask for box of KOREIN TABULES (pronounced korean) at any drug store. Accept no substitute. Or mail $1.00 to us for box; or write for free brochure. Korein Co., NF-58, Station X, New York, N. Y.

ROSTOVTZEFF LECTURES ON RUSSIAN ART

Outlines Five Periods of Advancement in Arts

Painted pottery, curiously wrought vases, deftly carved battle-axes, and earrings of fanciful design, discovered in old tombs bordering the Black sea, were shown on the screen by Prof. Michel Rostovtzeff in his illustrated lecture on "Greek and Oriental Art in South Russia," at Bascom hall on Wednesday afternoon.

"Where Gothic art finds its source is revealed by late excavation discoveries in the North Caucasus and valleys of the Danube and Dniepr rivers," explained Professor Rostovtzeff. "Russia made a very real contribuaion to oriental and Greek art, for the nomadic tribes that found their way to the South were not of the true barbarian type. They showed the same development and same cultural life as the inhabitants of Egypt and Mesopotamit."

The five periods of artistic advancement were outlined, beginning with the prehistoric and proto-historic periods, and including the Greco-Scythian period, and Greco-Sarmatian epoch, and the Gothic period.

In quest of the Golden Fleece, came the Greek Argonautae across the Aegean sea up to the River Kuban in the North-Caucasus where the great "Maikop" was buried, surrounded by gold and silver objects similar to those found in Pre-Babylonian Mesopotamia and Pre-Dynastic Egypt. And what was the Golden Fleece? These so-called barbarians, Indo-European tribes of the same stock as the Persians, possessed it—the secret of copper and iron invention!

Then came the Scythians in a throng to settle down quietly and build a strong centralized government among the natives and inhabitants of Greek colonies on the Black sea. For the bringing down of precious stones from the Ural mountains, and hides and fish from forest and stream, they received in return oil and wine from central Asoa and highly developed Greece. Through the energy and skill of these Greek vassals from whom they exacted tribute, and with whom they intermingled, contributed something, their oriental art remained fundamentally unchanged. nThe Scythian religion, customs, and artistic expression dominated, as shown by the old relics brought to light. A vase carved like a dragon, a huge horse in relief, lions and beasts of all kinds cut in metal, hark back to the Persian and Central-Asiatic objects of art—not those of Greece.

"About 300 B. C. came the Sarmatians," stated Professor Rostovtzeff. "Like their predecessors, they came not as destroyers; and like them, they made use of the blessings of Greek civilization, but did not cast aside their old habits and tastes. Greek technique was adapted to their animal style of ornamentation and polychromy; the new style was accepted and elaborated by the half-Greek population in the cities on the Black sea.

"At length, after a new and successful wave of conquest of the often-disputed Russian territory the Goths from Germany took the power. They adopted the Greco-Sarmatian methods and ideas of their subjects. It was that same style that spread all over Europe, known under the name of 'Gothic Art.'"

STUDENT COUNCIL ELECTED AT NEW LUTHERAN CHURCH

Basic preparations for carrying on the necessary work for the remainedr of the year were perfected at Calvary Lutheran church last Sunday evening when the last members of the new student council were elected. Calvary is a new student church at Wisconsin, having been organized at the beginning of this school year, and has been making rapid progress ever since.

Rev. A. Haentzschel, formerly professor at St. Paul's college at Concordia, Mo., and also at Concordia college at Conover, N. C., is the student pastor. Last year he occupied a similar position at Missouri university.

Members of the student council who were just elected are: Adelbert Gerhardt '21, president; Elsa Gimmler '23, vice-president; Paul Friedrich '23, secretary; Edna Palechek '22, treasurer; Gerald Jenny '23, chairman of membership committee; Frieda Radke '22, program; Esther Zarling '21, refreshments; Carl Sibilsky '22, social; Victor Bittner '23, chairman of the board of ushers.

WAGON PLANT MAY REOPEN AT STOUGHTON

Orders Coming in Now; No Definite Policy Yet Fixed

STOUGHTON—While he is not yet prepared to tell what time the Stoughton Wagon works will reopen, President F. J. Vea of the concern, stated Wednesday that there are at least cheering prospects of a fairly early resumption of activity at the plant. So far this week, says Mr. Vea, orders for a half a dozen carloads of wagons and manure spreaders have been received at the factory from different sections of the country, and also orders for a couple of trucks, and if these orders are followed by enough more to indicate a general revival of buying the wagon company will then feel warranted in starting up again with its normal crew. At present, according to Mr. Vea, there are about a hundred men employed at the plant.

E. J. Kjolseth is remodeling his furniture and piano store.

At the annual meeting of the Kegonsa Telephone Co., held Tuesday afternoon at the Kegonsa schoolhouse, the following were elected officers and directors for the ensuing year: President, Carl O. Berg; vice president, Corney Kittleson; secretary and treasurer, Sam Teisberg; manager, Andrew Rein; additional directors, Martin Bostrack, Martin Mithun, Alfred Eide. The question of disposing of that part of the company's line extending from the Scolen home for the aged to the Skilstad corner just east of town, to the Wisconsin Telephone Co., was discussed, and the board of directors was authorized to make the sale if a suitable agreement is reached.

Saturday afternoon Miss Dolores Malecke, the young daughter of Mr. and Mrs. Joseph Malecke, of our city, appears in a piano recital at the Wheeler hall in Madison, at 3:30 o'clock.

The common council held a special meeting Wednesday evening to consider the advisability of extending until March 1st the period of free collection of taxes.

There will be a social dance at the Woodman hall this (Thursday) evening. Everyone welcome.

The S. A. F. lodge will hold a special meeting Friday evening, Jan. 28. Members are urged to attend. Social time after meeting.

John Berg, the champion clog dancer of the S. A. F., challenges all members to try to defeat him Friday evening.

A Necktie social will be held Friday evening, Jan. 28, at the Magelson schoolhouse. The ladies are requested to bring two ties that are alike.

There will be a meeting of the Red Cross this afternoon at 4:30 o'clock at the public library for the purpose of electing officers for the ensuing year.

Mrs. Knut Norgaren, N. Morris st., was tendered a surprise Saturday evening by 20 of her friends.

A marriage license has been issued to Johanne Sperstad of this city, and Andrew Roneid of Madison. The bride-to-be is a daughter of Mrs. Martha Sperstad, residing on route 5.

Funeral services over Mrs. Bricton Quam were conducted by Rev. M. H. Hegge, Wednesday at the First Lutheran church. The pall-bearers were Messrs. Will, Andrew and John Quam, L. O. Quam, and Carl and Henry Johnson. Burial followed at Riverside. Among those present at the funeral from out of town were Mr. and Mrs. Nels Barsness and daughter, Dena, Ole Barsness, Mrs. Ole Skillestad, of Lodi, Mrs. Mary Quam and Reuben Barsness of Chicago, and Miss Loretta Quam of Madison.

Funeral services over Anton Nelson, one of Utica's old settlers, who passed away last Friday after a long illness with dropsy, were held Tuesday at the West Koshkonong church, Rev. G. G. Krostu officiating.

John McComb left for Chippewa Falls Wednesday to meet the tobacco growers in that vicinity and discuss the matter of warehouse handling by the Equity society, Mr. McComb claims that the tobacco buyers are slowly picking up the weed, and that tobacco growers must sort and pack their tobacco themselves or let the Equity do it.

The National guard company will give a dance in the armory, Tuesday evening, first class music.

The encampment of Odd Fellows meet Friday evening when the Patriarchal degree will be conferred. Refreshments will be served.

Mrs. Lynn Carr, who has been ill was able to attend to her duties as postmistress Wednesday.

The Kvindeforening of the Central Christ church will be entertained today by Mesdames John Karlslyst, John Hjortland and Nels Offerdahl, F. N. Falk, T. D. Larson, Thomas Clevelen and H. T. Hanson.

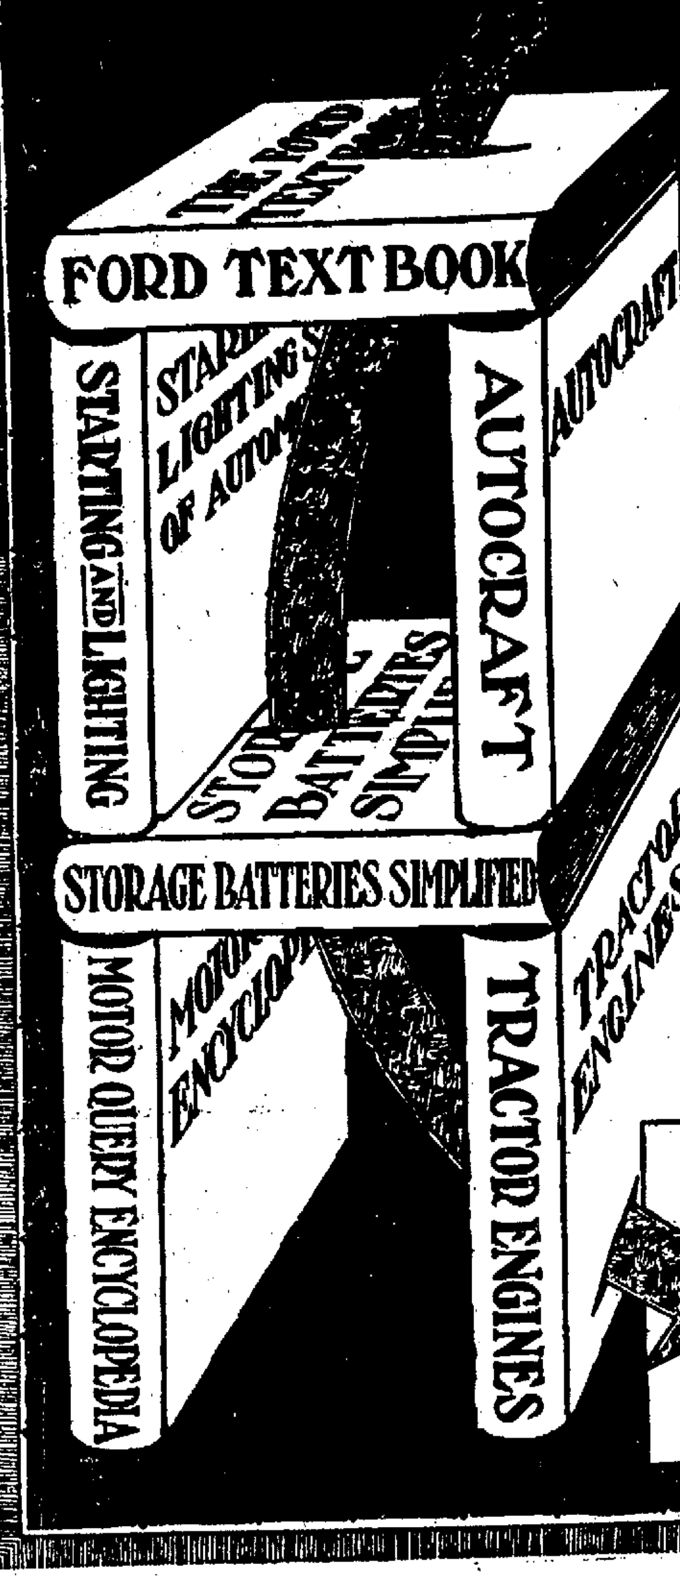

F. A. Montague our up-to-date paint and paper merchant was a Capital city visitor Tuesday.

Rev. G. G. Krostu, of Cambridge, officiated at the funeral on Monday of Erling Dahl of Utica, which was held at the West Koshkonong church. Mr. Dahl died last week Wednesday after a year's illness with tuberculosis.

A baby daughter was born to Mr. and Mrs. Espen Offerdahl Monday night at their home on the south side.

Mr. and Mrs. Bradley Wells, of Lodi, are the happy parents of a 7-pound baby daughter that arrived at their home yesterday.

Special Offer to Automobile Owners

The Capital Times is the leading progressive paper in Wisconsin. It prints daily the Associated Press full leased wire reports containing general news, market reports, etc. The editorials advocate progressive legislation for farmer and worker.

The Ford Text Book contains 226 pages of information on the construction, operation, care, and repair of the Ford car. It contains 60 photographs and a valuable trouble chart.

The Motor Query Encyclopedia intelligently answers 400 questions to puzzling problems that confront the car owner. There are 160 drawings, diagrams, and photographs that illustrate the answers to these questions.

FLOREA MADE CHAIRMAN OF VARSITY EXPO

Preparations for Gigantic Spectacle Will Begin Soon

William B. Florea '21 has been appointed by Union board as general chairman for the university exposition, which will probably be held in the university armory and gymnasium annex soon after the spring recess.

"To make this exposition a success, the hearty co-operation of a large number of students will be necessary," said Florea last night, "and a great many responsible positions will be included in the committees."

Chairman Florea will appoint his assistants and the committees early in the second semester, and work on the mammoth spectacle will be begun at once. Great care will be taken in making all the appointments, any only those best fitted for the positions will be selected.

The general purpose of the 1921 all-university exposition will be to educate the people of the city and of the state as to what the university has to show and as to what it is doing. Every department in the institution will give a demonstaration of its work, showing the latest achievements in its line and the work of its students.

The last exposition was held in 1915 and was a gigantic affair. Over 8,500 people attended, coming from all parts of the country. There were 86 exhibits which filled 15,000 square feet of floor space. It is planned to make the exposition this year even greater than the previous one.

Since 1915 many new departments, and only those best fitted versity and much additional research work has been done by several departments already established. Exhibits of all these new features will be included in the exposition this year, and will undoubtedly add much to the demonstrations.

ROAD MACHINERY TO BE DISPLAYED AT ANNUAL SCHOOL

Beginning Monday, January 31, and lasting for five days, the annual road school, conducted by the Wisconsin State Highway commission for purely instructional purposes, will be held in the large brown tent which was erected yesterday on the lower campus.

This State Highway school of instruction is held primarily for the benefit of the state officials, although all county officials and principle employees, all city officials, and all contractors and engineers, are invited to attend.

The work to be considered this year involves a careful survey of tractors and road machinery in general, as well as a number of forms of constructional materials. This instruction will be given by the aid of practical demonstrations, lectures, and moving pictures.

The question of road building will also be discussed, which will include the up-keep of the road, road construction, and road contracts. Much of the road machinery to be used in the demonstrations is being furnished by out-of-state concerns.

UNDERGRADUATES REORGANIZE CLUB

The undergraduate French club was completely reorganized at a meeting called Tuesday by the president, Miss Susan Brown, at the Theta house.

A new constitution and by-laws were adopted, new requirements were established for membership, plans were made for the coming semester, and the future of the club was discussed.

A meeting to elect officers and to finish important business will be called early in the second semester to which students, now considered members, will be asked by written card.

WESTON PICKS LEADERS FOR SENIOR CLASS

Committees Will Be Called For Work Early Next Semester

Senior class activities were set in motion yesterday with the announcement of class committees by Frank L. Weston '21, president.

Nine committees will form the senior organization for the year, and Weston plans to bring the groups together the first of next semester in order to make class plans. Following is the list of committees that has been appointed:

Executive—advisory—Milton C. Borman, V. Irwin Maier, J. Harold Draper, Margueritee I. Croskey, Marie V. Bodden, and class officers.

Publicity—Leon E. Kaumheimer, chairman, Marion Goodwin, Robert B. Lindsay, Frieda L. Rummel, Richard J. Loewenthal, Carson F. Lyman.

Commencement — Lawrence W. Murphy, chairman, Isabel L. Bacon, Lothrop F. Follett, Herbert A. Stolte, Eleanor F. Riley, Allan C. Davey, Helen C. Harper.

Social—Harriet D. Bartlet, chairman, Elizabeth A. Chandler, William J. Pickard, Esther G. Graham, Bertha P. Blaul, De Witt Van Pinkerton, Howard C. Dodge.

Pipe of peace—C. Wesley Travers, chairman, Willard A. Kates, Mary E. Preston, Agnes S. O'Hora, Thomas C. Clark.

Invitations — Fred L. Sperry, chairman, Horace Carver, Lydia J. Lacey, Dana Taylor, Hazel E. Wright.

Alumni—Kenneth L. Ede, chairman, Taylor H. Seeber, Ross W. Rogers, Marguerite E. Shepard, Mary F. Swan.

Play—John A. Bigler, chairman, Harold W. Lamb, Frances Ellen Tucker, Richard H. Tyrell, Julia J Hanks.

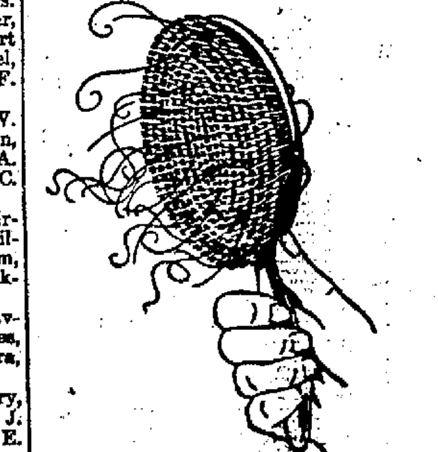

Cap and gown—David R. Lacey, chairman, Milton A. Powers, Ann Christianson, Marguerite Swift Samuel C. Wright.

Wilson in Better Health Says Cox

WASHINGTON—There has been a "very marked change" for the better in Pres. Wilson's condition since last summer, former Gov. Cox of Ohio, declared after a 40-minute visit to the president at the White House. The executive, he said, was heavier and more robust in every way, than he was last summer when he called after he had been nominated as the Democratic presidential candidate.

DANDERINE

Stops Hair Coming Out; Thickens, Beautifies.

A few cents buys "Danderine." After a few applications you cannot find a fallen hair or any dandruff, besides every hair shows new life, vigor, brightness, more color and abundance.—Adv.

MRS. R. O. PETERS, of Kansas City, Mo., whose experience with Tanlac has been nothing less than wonderful, declares her husband. After her improvement he takes it himself and his health is also restored.

"One day a friend persuaded my wife to take Tanlac and the results have been nothing less than wonderful. Her troubles have not only entirely disappeared, but she has actually gained twenty pounds in weight and now seems to be in perfect health. She has suffered for eight years with headaches, nervousness and loss of appetite and was in a badly run-down condition. She could not eat much, had pains all through her body and limbs and was so weak at times she could hardly stand on her feet. She was losing weight and gradually getting worse all the time in spite of all we could do.

"After seeing the splendid results my wife was getting I began taking Tanlac myself and before I had finished my second bottle, I was eating things I had not dared touch before in a long time. I am now eating just anything set before me and my appetite is fine. I suffered for five years with the worst kind of stomach trouble and nervous indigestion, but it has relieved me entirely. We both owe Tanlac a great debt of gratitude."

The above enthusiastic statement was made recently by Horbert O. Peters, well-known citizen of Kansas City, Missouri, residing at 534 Walnut street.

Tanlac is sold by the Luckey Pharmacies.—Adv.

OBITUARY

JOHN FOPPER

The body of John Fopper who died Wednesday night at a local hospital was sent to De Soto where burial will be made. The deceased was 55 years old.

MRS. AUGUST ENGEL

The funeral of Mrs. August Engel, moth of Oscar Engel, was held today at noon from the family home in Leeds. Mrs. Engel was 76 years old. She died Tuesday afternoon at her home in Sun Prairie.

Governor Blaine is preparing his message relating to educational matters.

SUFFERED ALL A WOMAN COULD

Mrs. Meyer Finally Found Relief and Health in Lydia E. Pinkham's Vegetable Compound

Orange, Cal.—"I always feel very grateful to you, as some twenty years ago three doctors said I had to have a serious operation. I had a tumor, and ulcers which would gather and break. I had displacement so badly that I could hardly sit down at times, and it seemed as if I suffered everything that a woman could suffer. Then some one advised me to take Lydia E. Pinkham's Vegetable Compound, and I took it until I was cured and saved from the operation. I have told women of your wonderful medicine times without number, and I am willing that you should use these facts and my name if you like. I also used your Compound during the Change, and I can do all my own work but the heavy part, and can walk miles every day as I help my husband in the office."—Mrs. J. H. MEYER, 412 South Orange St., Orange, California.

A great many women who suffered like this have been restored to health by Lydia E. Pinkham's Vegetable Compound.

SOCIETY

HAIR PILED IN SIMPLE FASHION HIGH ON THE HEAD IS POPULAR NEW STYLE

Here is a soft and pretty new coiffure which is sure to please. The hair, if not naturally curly, can be marcelled to look as pretty as this. It is parted on the side, combed back softly over the forehead and ears, and then knotted up softly high at the back of the head, making a very pretty profile and a good style for evening or more formal wear.

Girls of the Forest Products laboratory were entertained at a supper dance given Wednesday evening by the Forest Products league at the Randall school. Covers were laid for 70 guests. A large orchestra furnished music for the dancing to which men of the Forest Products Laboratory were invited. Mrs. Arthur Upson is president of the league and Mrs. Alice Smith is president of the girl's association. Members of the committee in charge of the affair were Mesdames Vance P. Edwards, L. J. Markwardt, G. E. Heck, O. M. Butler and E. C. Sherrard.

* * *

Mr. and Mrs. John Peterson, Mr. and Mrs. J. R. Hoffman, Mr. and Mrs. John F. Fredlake, Mr. and Mrs. Schroeder, Mrs. Edward Blumquist, Miss Maxine Hoffman and Richard Klawitter were guests at a celebration given recently in honor of the 15th wedding anniversary of Mr. and Mrs. Fred E. Klawitter. A short musical program by Mrs. Hoffman featured the evening's entertainment.

* * *

Miss Minnie Schmedeman, Spaight st. has returned to her home after spending a month in Minneapolis. Miss Schmedeman is chairman of the committee in charge of the Madison Relief society which will resume its work with her return. The first meeting is scheduled for Wednesday, Feb. 2nd at Turner Hall. All members are friends of the organization having shoes and clothing suitable for sending to the war stricken children of Germany are asked to bring them to the hall. These donations are acceptable at all times and are sent with the articles made by the society members at the meetings.

* * *

Mrs. Eleanor Brendler, mother of Mrs. W. J. Teckemeyer, N. Butler st., was honored at an informal party given this afternoon in celebration of her 79th birthday anniversary. Mrs. Teckemeyer was hostess and about 18 of Mrs. Brendler's friends were present.

* * *

Miss Hedwig J. Loehrer, whose marriage to Leo Skelly is to take place soon, was honored at a variety shower given recently by Miss Adeline Pschorr, W. Johnson st. The guests were the Misses Johanna, Agnes and Marie Sachs, Laura and Frances Heim, Elizabeth and Minnie Ripp, Marie and Ethel Metz, Margaret and Naomi Breitenbach, Laura, Mary and Esther Schlimgen, Ruth and Irene Devine, Martina Paltz, Lucy Hackett, Margaret Utzerath, Florence and Theresa Schadauer, Marie Buenzli, Helen Blied, Louise Hoeveler, Eleanor Schwoegler, Ruth Loehrer, and Mmes. Phillip and W. J. Loehrer.

* * *

A birthday surprise party was given recently honoring Mrs. G. W. Sehlue, Oakridge Ave. Progressive "500" was played and a dainty luncheon was served. Those present were Mesdames E. W. Price, Elmer Dean, Jack Engle, William Beglinger, Henry Van Keulen, Edw. Bosser, Walter Soehle, J. R. McGilligan, William Kaross, A. J. Johnson, Oscar Engle, O. Anderson, Fred Larson, F. A. Steffen and Gertrude Mahnke.

* * *

The social entertainment scheduled for Friday evening at the Lakewood school house has been postponed one week and will take place Feb. 4th. The party is to be given under the auspices of the Lakewood Social Center.

* * *

Announcement is made of the marriage of Miss Alice Mausz daughter of Mr. and Mrs. John Franklin Mausz to Harold Paul Mueller formerly of this city, which took place Tuesday evening at 7 o'clock at the residence of the bride's parents in Milwaukee. The bride attended the Mount Marie school at Canton, O., and is a member of Phi Delta Sigma sorority. The groom attended the universities of Wisconsin and Pennsylvania and is a member of the Delta Epsilon fraternity. After a wedding trip Mr. and Mrs. Mueller will return to Milwaukee and will be at home in the Hotel Astor.

* * *

Home made foods are to be sold in connection with the rummage sale to be conducted Thursday and Friday, Feb. 3 and 4, at the Service shop, under the auspices of the Italian Welfare association and the Catholic Women's club. Cakes, pies, baked beans, preserves, sauer-kraut, cookies and candies are included in the assortment of goodies to be placed on sale. There will also be displayed a large number of garments, children's wearing apparel and other articles that have been donated by members and friends of these organizations.

* * *

Personals

Mrs. Harry Sauthoff has returned to her home at the Castle Apts., after visiting with her mother Mrs. A. Thoroughgood at Janesville.

* * *

Mr. and Mrs. S. A. Gulesserian, Regent st. are entertaining for Joseph Alaxanian of Lansing, Mich., who is a guest at the Gulesserian home.

* * *

Mrs. Louis Hirsig, Sherman ave., visited Mr. Hirsig's mother, Mrs. William Hirsig, at Monroe, the past few days.

* * *

Mr. and Mrs. A. A. Dahle, N. Bassett St., and Mr. and Mrs. Harold Hokanson, W. Washington Ave., have returned from a trip to De Forest.

* * *

Mr. and Mrs. B. Johnson of Canyon, Tex., are in Madison for the week. They are on their way home from Evansville.

* * *

Mrs. W. R. Kowalke returned to her home in Sheboygan Tuesday after several days in Madison.

* * *

Clubs-Organizations

A card party and dance beginning at 8 o'clock will follow the regular meeting of the Col. William F. Vilas Circle, No. 33, Ladies of the G. A. R. at G. A. R. hall, Friday night. Miss Angeline Bates, a freshman in the university last year, will arrive in Madison, February 8. She expects to enter the university for the second semester.

Stuffed up Head

Try This—Dissolve teaspoonful of rock of Brazilian Balm and salt in cup warm water, snuff some of this up nose night and morning or when needed. Few doses Balm internally will help, often acts as cold preventive.

MOTHER KIDNAPS HER OWN BABY FROM CHICAGO HOSPITAL

Photograph shows the baby in the suitcase, with the ropes still attached to the handle. Left to right, is the mother, Mrs. L. V. Brooke; Mrs. T. J. Maddux of Chicago, Mrs. Brooke's aunt, with Louis Vernon Brooke, her son, and Miss Mary Nichols, a cousin.

Norma Maxine Brooke, a baby of Thayer, Ind., was "kidnapped" from a Chicago hospital by her own mother, Mrs. L. V. Brooke. Mrs. Brooke placed the child in a suitcase and lowered it from the hospital window, according to the report. The parents of the child claimed she did not get proper care while in the hospital and are said to have refused to pay the bill. The hospital authorities are alleged to have refused to let the baby out of the hospital until the bill was paid. This is supposed to have been the situation which caused the mother and some of her friends to take the suitcase into the hospital and use it in a rather extreme method of "kidnapping" her own baby.

LANDIS THROWS OUT 3 CASES

Defective Returns on Warrants Brings Release of Trio

(By the Associated Press)

LA CROSSE, Wis. — Because of defective returns on search warrants employed by federal prohibition agents in this district while the officers were new at the business, Judge Landis, on motion of attorneys Thursday, morning dismissed liquor actions against 3 men, Louis Olson, of La Crosse, Joseph Jesicks, of Wausau and A. C. Garson, of Bluff Siding.

John Iverson of Superior is on trial today charged with transporting one bottle of whiskey. He is a taxicab driver in Superior. Atty. Cadigan, defending Iverson, said that the arrest of Iverson was the result of a trap that Iverson was not engaged in the liquor traffic. Iverson paid a fine of $50 for this offense, in municipal court at Superior.

Houston Dems Put Ban On Negro Vote

HOUSTON—Negroes will not be allowed to vote in the city primary Feb. 9, the city Democratic executive committee ruled, on legal advice giving it power to determine members of its own party.

Eagles Mask Ball, Turner Hall, Feb. 2, $100 cash prizes.

State Board Issues New Quarantine Rule

A new rule on smallpox quarantine was promulgated by the state board of health yesterday, when the board met in annual session. Hereafter such quarantine will extend only to the smallpox patient when other members of the household are vaccinated. The rule means that although the patient shall be kept strictly isolated, others in the family may be at liberty provided they shall submit to vaccination. It was voted to dispense with the rule requiring terminal disinfection after a communicable disease. This follows similar action by a large number of states. The new rule will direct specifically that there shall be a thorough cleanup and disinfection with approved means, under the supervision of the local health department. The board approved a program recommended by the legislative committee of the Wisconsin Funeral Directors and Embalmers' association, requiring all licensed embalmers to attend a course of lectures at least once every three years under penalty of revocation, and to prohibit any unlicensed person acting as a funeral director, and providing for a registered apprentice period.

—Backache?
—Rheumatism?
—Run-down?

Those of us who are past middle age are prone to eat too much meat and in consequence deposit lime-salts in the arteries, veins and joints. We often suffer from twinges of rheumatism or lumbago, sometimes from gout, swollen hands or feet. There is no longer the slightest need of this, however, as the new prescription, "An-uric," usually gives immediate results as it is many times more potent than lithia, in ridding the impoverished blood of its poisons by way of the kidneys. It can be obtained at almost any drug store. Ask for Dr. Pierce's "Anuric" (anti-uric acid) for kidneys or backache, or send 10c to Dr. Pierce's Laboratory in Buffalo, N. Y., for trial package.

Baby Coughs
require treatment with a remedy that contains no opiates. Piso's is mild but effective; pleasant to take. Ask your druggist for

BILLY WHISKERS

By FRANCES TREGO MONTGOMERY

What shouts! What hurrahs! The crowd goes wild in its frenzied admiration. Losing all fear of such an animal, Billy is grasped by three sturdy men, baby is lifted up and tenderly placed in the out-stretched arms of the mother, and then Billy is borne high on the shoulders of the men, a conquering hero. Of course, he struggles—what goat wouldn't?—and yet finds himself powerless, for his feet are held by men who grip him with hands of iron and with an immense following, they carry him around to the grandstand and then over to the platform where the judges sit. Up the steps they go, and there, with thousands and thousands of witnesses, the master of ceremonies decks Billy out with a blue ribbon bow, and again shouts of admiration fairly rend the heavens.

No more racing today. Interest in fleet horses has suddenly died, and through the megaphone come these words:

Ladies and Gentlemen:

You have just witnessed the brave act of a dumb animal. A goat has done what no man had brains to conceive nor daring to put into execution. Ladies and gentlemen, the races are called off, and, in honor of the goat hero of the day, there will be given on the race course a grand parade of all the animals exhibited at the fair. You are requested to keep your seats and witness the grand finale of the Licking County annual fair.

A buzz of excitement followed this change of program, and necks were craned and all were agog.

In a very few minutes their consuming curiosity was satisfied for there was a long line of animals parading the circle, and at their head was no other than Billy Whiskers, proud of his position, but still prouder that at last his animal friends were receiving the recognition they merited.

As the crowd recognized the leader of the procession, three mighty cheers went up, and when Billy bowed his thanks for this overture—just as he had done countless times during a circus performance—the people went wild, and hurrah after hurrah greeted him.

Not the least bit disconcerted, Billy marched the length of the track, and had drawn up in front of the grandstand, lining up his motley following, each with an attendant close at his head, for a final flourish, when a little fellow standing near the grandstand shouted:

"It's Billy! It's my Billy!" and escaping from his father's arms, ran pell-mell to him, threw his arms around his neck, and then Billy underwent such a petting as never goat had before.

"Now you won't think such bad things of my Billy, will you, mamma," Dick petitioned, as his mother hurried up. "See, isn't it a pretty bow he won?"

"Well, well," conceded Mrs. Treat, reluctantly, "he may be all right, after all."

(Tomorrow the Treats and Billy return home.)

HOUSEHOLD HINTS

MENU HINT

Breakfast

Codfish Cakes Buttered Toast
Doughnuts Coffee

Luncheon

Creole Rice
Cranberry Jelly With Celery
Bread and Butter Sandwiches
Tea

Dinner

Broth (highly seasoned)
Veal Cutlets, Horseradish Sauce
Mashed Potatoes
Cream of Lima Beans
Mock Mince Pie

RECIPES FOR A DAY

Creole Rice—Three tablespoons margarine, one cup rice, two and three-quarters cups highly seasoned brown stock, canned pimentoes.

Melt margarine in hot frying pan, add rice and stir constantly until rice is well browned. Add stock heated to boiling point and cook in double boiler until soft.

Turn on a serving dish, garnish with pimentoes cut in fancy shapes and cover with the following sauce: Cook two tablespoons of chopped onions, two tablespoons chopped green pepper (home canned), one tablespoon pimentoes with three tablespoons oil; add two tablespoons flour, one cup tomatoes and salt to taste. Bread crumbs may be buttered for the top.

Cranberry Jelly With Celery—Pick over and wash four cups of cranberries. Put in a stew pan and add two cups sugar and one cup of boiling water. Bring to boiling point and let boil twenty minutes; then force through a strainer. When mixture begins to thicken, fold in one and one-half cups celery cut crosswise of stalks in one-eighth inch slices. Turn into a mold and chill; garnish with celery.

Mock Mince Pie—One cup fresh bread crumbs, one cup hot water, one-half cup butter or margarine, one-half cup vinegar, one and one-half cup sugar, one cup currants, one cup raisins, one cup chopped apple, one-half teaspoon salt, one teaspoon powdered cloves, one teaspoon powdered cinnamon, one-half teaspoon ginger and allspice each.

Mix all ingredients and keep in covered jar until used.

TASTY PASTRY

Tarts—Three cups flour, one-half cup butter, one-half cup lard, one-half teaspoon soda, white of one egg beaten stiff, one-half cup cold water, one teaspoon cream tartar.

Make a paste of the ingredients and roll one-eighth inch thick. Shape with a round cutter dipped in flour; with a smaller cutter remove centers from half the pieces, leaving rings one-half inch wide. Brush the larger pieces near the edge with cold water; fit on the rings, pressing lightly. Chill thoroughly and bake fifteen minutes in medium oven; lower flame in case tarts show a tendency to burn. If the tops of rings are brushed with beaten egg yolk diluted with water they will present a glazed appearance. When cool fill with jelly.

Lemon Pie—One heaping tablespoon cornstarch, one cup sugar, one scant cup boiling water, one teaspoon butter, juice of one large lemon, two eggs.

Mix cornstarch with sugar, add boiling water and boil five minutes. Then add butter, lemon juice and yolks of eggs well beaten. Bake in one crust. When done make a meringue of the whites of the eggs beaten until stiff, two tablespoons of powdered sugar and one-half tablespoon lemon juice, or one-quarter teaspoon lemon extract; spread on top of pie and bake in a slow oven fifteen minutes.

"Who hath a bad wife---
His hell begins on earth"

IT HAPPENS EVERY DAY—

The Butterfly wife, hungry for admiration and attention;

The Business-man husband, engrossed in his own affairs;

The gradual drifting apart, day by day, almost unnoticed;

And then the inevitable result—estrangement—separation.

YES, IT HAPPENS EVERY DAY,—

That is why Wm. D. Taylor's elaborate production

'The Furnace'

is so powerful, so real, so gripping. It is life—depicted in great smashing scenes that will hold you spellbound.

A picture that will clutch at the hearts of men and women.

THEODORE ROBERTS

Agnes Ayres, Milton Sills, Jerome Patrick and 8 other screen favorites comprise the well selected cast.

(This Picture Will Not Interest Children)

Special Note
To The Public:

Never in the history of motion pictures has any theatre ever offered its patrons the equal of this gorgeous production without increasing their admission.

Our large seating capacity enables us to offer our patrons "THE FURNACE," a picture worth fifty cents at

CIVIL ENGINEERS ELECT OFFICERS

At a special business meeting held Tuesday evening, January 25, the University of Wisconsin Civil Engineering society elected the following officers for the second semester: H. H. Wheaton, president; James R. Price, vice-president; O. N. Rove, secretary-treasurer; H. M. Ford, critic; A. R. Striegl, publicity agent.

This is what healed my skin trouble

Resinol

"Now I don't have to avoid people because of embarrassing skin trouble, or lie awake hours at night, tormented by intense itching. Resinol Ointment did it! After the first application of this soothing ointment, I felt such blessed relief. In a short time the inflammation was reduced and the itching stopped. Now my eczema is entirely gone. I used Resinol Soap as directed with it and have found Resinol Shaving Stick to be the best on the market for a clean, easy shave." *Resinol trio at all druggists.*

HEART AND HOME PROBLEMS

By MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: Please print a skin whitener. H. J. K.

A teaspoon of the tincture of benzoin to an ounce of rosewater forms a well known lotion, which is excellent for whitening the skin.

* * *

Dear Mrs. Thompson: About three months ago I was introduced to a young man who is very good looking and has a very prosperous business. I am private secretary to one of his business friends, who introduced us. Since that time I have gone with this young man almost every night, but have no intention whatever of marrying him, and neither do I think he has any intention of marrying me. What we are out for is just a good time.

The other day while out to lunch with said young man, when passing a ladies' ready-to-wear store I casually remarked upon the beauty of an expensive fur coat in the window, never thinking that he was listening to me. When yesterday afternoon I reached my apartment I found a large package awaiting me, and when opened, low and behold, there was the same coat that I saw in the window.

Shall I keep the coat or return it? I am sure he would be angry should I return it, but I don't much like to keep it. PUZZLED PEGGY.

Return the coat. The man will respect you more and probably like you better if you refuse to take it. He knows, without a doubt, that he should not ask you to accept a gift of so much value.

* * *

Dear Mrs. Thompson: I am a young fellow 18 years of age and am very fond of a girl of the same age. I have taken her a great many places and had many good times, but lately I found out she had been corresponding with another fellow out of town. He was in town a few days ago and he came to see her. Since then she doesn't seem the same toward me.

There is another girl who has been seeing me every day and I have walked home with her once or twice and she seems quite affectionate and has invited me to call on her some time.

Which would be the better, to let the first girl alone and go with the second one, or not? I really think I like the first one best.

PUZZLED.

It is only natural that the girl should have other friends besides you. A little jealousy has crept into your heart in regard to the young man from out of town. Probably the girl feels the same as ever toward you, but you feel hurt and in reality have changed toward her. Try to forget about the young man from out of town, and do not refer to him or that you have noticed a change in her conduct toward you.

I would advise you to remain true to the first girl. From what you have said, I should imagine that I would like her better, too.

"Broken-Hearted Jane:" Do not ask the young man for an explanation. It is evident that he has tired of your company and finds the other girl more to his liking at present. You might just as well face the truth and adjust yourself to it. Tell your parents that you do not believe he is coming back.

In regard to the photographs he has of you, I would advise you to say nothing and to let him keep them. It is unwise for a girl to give away pictures of herself so promiscuously, because nine times out of ten she regrets it later.

Show a brave heart, dear girl, and you can learn to forget the young man. Remember that almost every girl has to go through the same suffering you are experiencing now. Time will teach you to forget and find new interests.

MADISON PIN KNIGHTS PLAN TO CONDUCT FAST CAMPAIGN TO SECURE TOURNEY IN '22

Arrangements for Display of Banners and Posters at Milwaukee Meet Completed; Two Hundred Local Bowlers to Attend Tournament

Arrangements were completed last night by the Madison Bowling association for carrying on an intensive campaign during the state bowling tournament in Milwaukee next week for the selection of Madison as the tourney battling ground for 1922.

Fifty enthusiastic boosters of the idea attended the meeting, which was held in the Association of Commerce rooms. Over two hundred Madison bowlers will represent the city next week at the tourney, according to announcement made by association officials.

Posters and banners will be displayed lavishly at Milwaukee, all advertising the fact that Madison is capable of handling adequately a 600 team tournament. The hotel accommodations and the alley facilities are unsurpassed outside of Milwaukee, and if the plans of the local association go through, there will not be a bowler at the Milwaukee meet who will not know this fact.

Veta Band Idea

Several members argued for taking a band to Milwaukee, but after a talk by Don Mowry, it was decided that it would not be advisable to do so, on account of the expense. Mayor Kittleson and Henry Johnson spoke of the necessity of securing support from other parts of the state.

The Madison association has nearly 10 pledges of support from state executive committee members at the present time, and as the voting power will not exceed 25 votes, it is assumed that little difficulty will be encountered in obtaining the tournament.

Special Train Service

A vote of thanks was given E. F. Iumler, who has secured a special train to leave Madison at 8 a. m. Sunday and to return at 11 p. m. Monday.

The Charlotte hotel will be the headquarters of the Madison bowlers. Speakers to represent the local association at the meeting of the directors have not been selected, but at the recommendation of Mr. Johnson, an effort will be made to secure Lawrence Whittet as one of them.

South Madison Quint Wins Over M'Farland

The South Madison basketball team won a 35 to 22 victory from McFarland last night in a close contest played in the South Madison gym. The line up:

So. Madison		McFarland
Cliff Nelson	L F	Vimpe
Carl Nelson	R F	Olsen
Monahan	C	Smedal
Zwicky	L G	Thompson
Kennison	R G	Edwards

Baskets—Cliff Nelson, 5; Carl Nelson, 3; Pomeroy, 1; Monahan, 4; Zwicky, 1; Kennison, 3; Thompson, 3; Edwards, 3; Smedal, 5; Vimpe, 1. Free throws—Monahan, 1.

On account of the approaching final examinations, no dances or parties have been sanctioned for this week end. Fraternities, sororities, and other organizations are planning functions for the next semester, but are primarily concerned with scheduling Prom activities.

NEW ATHLETIC PAPER PLANNED

Frogner and Travers Are Named to Run Bulletin

A new university publication devoted exclusively to athletics became a concrete project decided upon at the meeting of the athletic board yesterday noon. Allard Frogner '22 was appointed editor of the bulletin and Wesley Travers '21 is to be the business manager.

The purpose of the bulletin is to encourage all athletics at the university and to print all the significant news about both major and minor sports. If you want to know more fully why our next five football games with Chicago will be played on Stagg field instead of Camp Randall, where the homecoming money goes, more about the situation with Ohio State, or when the new toboggan slide and ski jump will be in use, the bulletin will tell you in detail.

Several years ago such a bulletin was published, sold on the campus, and sent to high schools throughout the state to encourage the best athletic material to come to Wisconsin. The practice was discontinued in 1912, but the idea was recently revived by the Council of 40, an organization for studying university conditions and bettering them, who urged the athletic board to take action on the matter. The athletic council, a faculty body with one student representative, gave its sanction to the project and yesterday the plan became an actuality.

Two or three issues of the bulletin will be published next semester. The board wants to re-establish the bulletin as a regular activity to create a more general interest in university athletics.

Young Judea Juniors Beat West Side Five

The Young Judea Juniors defeated the West Side All Stars last night at the Longfellow gymnasium, 16 to 6. The game was featured by the work of Natheson, center for the winners, who made five baskets. Dominick was the mainstay for the losers. The lineup:

Junea Jrs.		All Stars
Chechkik	RF	Church
Sinaiko	LF	Kalamia
Natheson	C	Ponti
Becker	RG	Dominick
Olsher	LG	Wrend

MILTON COLLEGE TO HAVE OFFICIAL ATHLETIC COACH

Milton college, for the first time in many years, is to have an official athletic coach. The position will be filled by George H. Crandall, a graduate of the college, who also studied at the University of Wisconsin in the year 1916-1917, receiving his M. A. degree here.

IF TUTORING ALONE WILL TURN THE TRICK, THE GIANTS OUGHT TO COP THE BUNTING

The trio of great tutors: Hughie Jennings, upper left; Jesse Burkett, center, and Jawn McGraw.

The 1921 Giant team has on hand to round it into pennant form a trio of baseball instructors that in themselves form a star attraction. And if they can impart to the players the knowledge they have of the game and their spirit—good-bys pennant as far as the rest of the league is concerned. Heading the team, of course, is Jawn McGraw. His lieutenant is Hughie Jennings. And Jesse Burkett, old-time Giant, Indian and St. Louis star, is McGraw's second lieutenant. Together they hit .400 for twenty-seven years in the big show.

BADGER PREPS BEAT EDGERTON

Wisconsin High Quintet Wins 21 to 17 Victory by Rally in Second Half

The Wisconsin high school basketball team defeated Edgerton high school last night at Edgerton, 21 to 17. It was the first defeat of the year for the Edgerton quintet which had won eight straight games. The Badger preps proved too strong for their oppenents however, and overcame a three point lead in the second half of the victory.

Edgerton had built up a defense to stop Hank Meyers, star pointgetter and center of the visitor, and it succeeded fairly well, although his free throwing was of such excellence that it won for the invaders. He made seven out of eight chances from fouls while Schofield, on the same job for Edgerton, made but three out of nine.

Long shots by Stehr, made at critical moments, kept Wisconsin high always in the running. The game was featured by close guarding.

Lineup:

Wisconsin High		Edgerton
Stehr	L F	Schofield
Holzwarth	R F	Johnson
H. Meyers	C	Gessert
Clapp	L G	Madsen
F. Meyers	R G	Hellar

Substitution—Bardeen for Gessert. Baskets—Stehr, 3; H. Meyers, 2; Clapp, 2; Hellar, 3; Johnson, 2; Bardeen, 1.

Free throws—H. Meyers, 7 out of 8; Schofield, 3 out of 9.

The Edgerton second team won from Wisconsin high subs, 13 to 4, outclassing the invaders throughout.

Lineup and summary:

Edgerton		Wisconsin High
Whigford	L F	Higgins
Burns	R F	Levin
Hadden	C	Schmeltzer
Schnelling	L G	Davis
Lord	R G	Page

Baskets—Lord, 3; Schnelling, 1; Hadden, 1; Davis, 1.

Free throws—Hadden, 3 out of 6.

Harvey in 7 to 6 Win Over Emerson Quintet

Harvey won yesterday from Emerson in a fast game in the latter's gym, copping by 7 to 6 after a close battle.

Lineup:

Harvey		Emerson
Bowman	LF	Gerfin
Jacobson	RF	Fess
Rubado	C	Anderson
Loy	LG	Le Selere
Frederickson	RG	Hendricks

Baskets—Rubado, 2; Jacobson, 1; Gerfin, 1; Anderson, 1.

Free throws—Jacobson, 1; Anderson, 2.

Pilgrim C. E. Team Defeats Crusaders

The Pilgrim Christian Endeavor quintet defeated the Evangelical Crusaders, 35 to 24, in the Pilgrim gym last night. The playing of Kendall and Harris featured.

Pilgrims		Crusaders
Kendall	RF	Stevenson
Kinney	LF	Hahn
Olson	C	Otis
Zentmeyer	LG	Frautschi
Harris	RG	Schween

Baskets—Kendall, 7; Harris, 4; Kinney, 4; Olson, 1; Zentmeyer, 1; Hahn, 5; Otis, 2; Frautschi, 2; Schween, 2.

Free throws—Kendall, 1; Hahn, 2.

Chase's Ball Record Gives Wife Divorce

CINCINNATI — Mrs. Anna M. Chase of this city was yesterday granted a decree of divorce from Hall Chase, former first baseman of the Cincinnati and New York National League baseball clubs, who was last heard from in San Jos, Cal.

Minnesota Grid Stars Quit School; Students Demand Faculty Move

MINNEAPOLIS—A committee to investigate athletics at the University of Minnesota is urged in an article published in the Minnesota Daily, student organ.

The article points out that although at the close of the football season last Fall prospects for next year's eleven seemed unusually good, four veterans already have left the Gopher institution and indications are that more will be lost before next September.

"At the present rate that Minnesota is losing its football men cannot continue," said the Daily. "Why not have a committee composed of faculty members, alumni and students who would look into the situation and have the interests of Minnesota only at heart?

"The situation as it stands is a thorn in the side of successful athletics."

Delta Chapter Trims Alpha of Epsilon Eta

Delta Chapter of Epsilon Eta defeated Alpha chapter last night, 7 to 6. The Alphas led at the end of the first period, 6 to 3, but the Delta's ability to come back in the final session, coupled with the remarkable guarding of Pieh, resulted in a win for the latter. The lineup:

Delta		Alpha
Casey	RF	Hobbins
Sullivan	LF	Stephens
Charlogg	C.	Nicodemus
Wirka	RG	Billings
Hogann	LG	Teckemeyer

Baskets—Teckemeyer 1, Billings 1, Hobbins 1; Sullivan 2, Wirka 1; Free throws—Charogg 1.

Misses Eleanor Bauman and Joy Shadbolt are confined to the infirmary for a short vacation under physician's orders.

CITY LEAGUES PLAY 6 GAMES

Contests Scheduled Tonight at City Y, Lowell and Lincoln Schools

A full schedule of six games will be played tonight in the Madison Industrial association league races. Three games of basketball are on schedule along with three of indoor baseball, and the contests will be played at the Y. M. C. A. gymnasium, the Lowell school and the Lincoln school.

The basketball league may see a change of leaders as a result of the game between French Battery and the Olympic club at the city Y. The game will be played after an indoor baseball contest between the French Battery and Gisholt teams starting at 8:30.

At Lowell school, Fuller & Johnson will line up against Oscar Mayer in baseball and the Fuller basketeers will also play the Burgess Battery immediately after. These games begin at 7:30.

At Lincoln school, the Badger Shoes will play Scanlan-Morris in baseball. This game should prove especially interesting due to the fact that the Badgers won against the Oscar Mayer team a week ago. The State Journal will play the 4C basketmen after the baseball game. begin at 7:30.

WRESTLING TEAM WILL MEET AMES

Varsity is Handicapped by Illness of Middleweight Man

Handicapped by the loss of Ivan H. Peterman '22, who is ill with tonsilitis, the Wisconsin wrestling squad is scheduled to meet the Ames grapplers at Ames, Iowa, on Saturday, January 29. H. M. Pier '22, 158-pounder, will take Peterman's place in the middle-weight division.

The remainder of the Badger squad of grapplers is in excellent condition, and under the able tutelage of Coach G. T. Hitchcock the team has developed the amateur style of wrestling, something few of the men had practiced much heretofore.

The men who will make the trip with the Wisconsin mat squad are: C. J. Posepny '23, 166 pounds; P. P. Livingston '22, 125 pounds; Captain L. G. Culver '21, 135 pounds; W. H. Klass '23, 145 pounds; H. M. Pier '22, 158 pounds; H. H. Holmes '23, 175 pounds; Ora McMurray '21, heavyweight division.

Ames is recognized as having one of the strongest wrestling teams in the middle west, and has scheduled meets with leading eastern universities. The Iowans possess the best team that Wisconsin will meet this season, but the Badger grapplers hope to give them one of the hardest battles of the year. C. W. Mayser is handling the Ames grapplers.

"We hardly expect a victory," said Coach G. T. Hitchcock on Wednesday afternoon, "but Wisconsin will at all times be in the running against the Ames wrestlers, and the worst that the Badgers can expect is an even break. Although the loss of Peterman will put Wisconsin at a disadvantage, Pier will handle the middle-weight division in an able manner. Every member of the squad is in the pink of condition, and the men have improved considerably since the beginning of the season. The squad needs more bantam-weights, light-weights, and heavy-weights to prepare for the Illinois match on February 25, and any man who reports will have an excellent chance to break into the squad."

The rules of the match call for the winner to obtain two out of three falls, in seven minute periods. In case neither of the wrestlers secures a fall, the judges will decide the bout on points for aggressiveness and form.

New Clubhouse Plan of Maple Bluff Golfers

A new $50,000 club house will be erected by the Maple Bluff golf club here, according to a vote taken by members of the club last night after the finance committee had reported on the project. The meeting was held at the Madison club.

An additional nine hole course was also provided for in the expansion plans, and land will probably be leased this spring for this purpose. The new clubhouse will be built as soon as possible, matters being left in the hands of John St. John. C. A. Johnson, Byron H. Stebbins, H. M. Warner and Henry Fauerbach.

The meeting was attended by 63 members who held proxies from 90 others. The club also reported that a new professional had been secured in the person of R. Grey Martin of Chicago.

RIECK WINS FIRST IN 8 MILE SKATE

Much Interest is Shown in Long Distance Ice Race

Thirty skaters, including twenty-eight men and two women started the eight mile race across Mendota and back yesterday afternoon at 4:45. Chester Rieck '21 returned first, having made the fast time of 26 minutes and ten seconds. He came in far in the lead of the nearest man following. Mabel Duthey '24 won the women's race with the time of 38 minutes and ten seconds. Bernice Elver '23 took second place in 40 minutes and 15 seconds.

The eight mile course lay between the university gym and Governor's point on the opposite side of Mendota. A large crowd witnessed the event and much ability was shown in the racing. Rieck, the winner will receive a medal from Coach T. E. Jones and his time will be set up as a record to be broken in future races. It is planned to make the distance race an annual event. Because of the excellent condition of the lake for skating this year, and the large amount of enthusiasm being shown in the sport by the students, more meets are to be held including a mixed double event.

Other men placing in yesterday's race according to their order are: Robert Blodgett '23, Victor Bittner '23, John Cole '22, Irving Cox '22.

Pal Moore Gets Win Over Young Montreal

NEW YORK — Pal Moore of Memphis, Tenn., outpointed Young Montreal of Providence, R. I., in a fifteen round boxing contest here Wednesday night. The victory gives Moore the right to meet Joe Lynch, bantamweight champion, in a fight for the title.

JACKSON GETS BEATING FROM LEW TENDLER

Philadelphia Boxer Wins Fast Bout in Milwaukee; Will Meet Leonard

MILWAUKEE, Wis.— Lew Tendler of Philadelphia easily outpointed Willie Jackson in their ten-round bout here last night, placing him a step nearer a championship fight for the lightweight title with Benny Leonard.

The fight went the limit and was fast and furious throughout. Tendler's flashy left hand proved too much for the heavy-hitting Jackson, and at no time in the bout did he gain the lead.

Tender won and won easily, but Jackson, fighting like a wild man in spots was a dangerous foe until the final bell and his spasmodic spurts drove the great crowd wild.

Time and again he drove his famed right hand into Lew's body with terrific force, but Tendler trained to the minute, shed the blows like a duck does water and at the finish bore hardly a mark as evidence of the rough thirty minutes he had just spent.

Jackson Starts Strong

Jackson, on the other hand, looked like anything but a matinee idol. His chin was cut, his mouth was puffed and red bruises under both eyes showed where Tendler's gloves had found a resting place.

The scrap was a typical Jackson-Tendler battle. Jackson started off strong and in the second round drove Tendler all over the ring before his smashing right hand. He walloped his bread winner to the body repeatedly, smashed it to Lew's chin and half way through the session sent his opponent into the ropes with a Babe Ruth right uppercut to the wind.

Again in the fourth round Jackson wheeled his right into position and gave Tendler a bad pasting about the body. After that it was all Tendler. Jackson tried hard to stick his right on a vital spot, but he had fought himself out in the first four rounds and Tendler ran up such a big score of points that at the finish there was no doubt where the verdict belonged.

Receipts Are Large

The windup proved the biggest attraction that Milwaukee has seen since Willie Ritchie and Ad Wolfgast boxed in the Auditorium several years ago. The receipts that night were about $100 short of $40,000, but they charged $10 for ringside seats. Last night, with the tops at 8.80, the intake was around $37,000 according to ringside report. Promoter Mulkearn guaranteed Jackson $10,000 to make the fight, and slipped Tendler 35 per cent of the gross gate, so they did pretty well.

White Sox Buy Three Salt Lake Team Men

SALT LAKE CITY — Infielder Eddie Mulligan of the Salt Lake club of the Pacific Coast league, has been sold to the Chicago White Sox. With Mulligan in the lineup the Chicago infield will include this year three former Sale Lake players—Sheely at first, Johnson at shortstop and Mulligan at thirdbase.

Roger Hornsby Signs His Contract for '21

ST. LOUIS — Rogers Hornsby put at rest the rumors that he was dissatisfied with his place with the Cardinals and would never sign a contract, by accepting his 1921 contract with Manager Branch Rickey on Wednesday. Rickey refused to announce the salary and length of the contract.

Bell System

Don't Forget to Replace the Receiver

Telephone users are urged to replace the receiver promptly at the end of every conversation.

If the receiver is left off the hook, either intentionally or accidentally, it completely cuts off your telephone from every other, and requires the operators to report to persons calling that your telephone is out of service.

By replacing the receiver on the hook at the end of each telephone talk, you keep your telephone door open and assist in maintaining good service.

MARKETS

WHEAT TAKES SHARP SLUMP

Unsettled Political Conditions Abroad Held Cause

CHICAGO—Unsettled political and economic conditions in Europe led to sharp declines in the wheat market today. Bearish crop gossip added further to depress values. Export was lacking. Initial quotations which varied from unchanged to 1½c lower with March 1.62¾ @1.63 and May 1.52½@1.53¾ were followed by a decided setback all round.

There was considerable selling on an estimate that the four principal exporting countries would have a carry over of 170,000,000 bushels into the new croy but one of the largest firms here regarded this estimate as bullish and the market rallied sharply. Prices closed firm ½ to 1½ cents net higher with March 1.64½ @ ¾ and May 1.54 @ ⅞.

Corn.

New low prices for the season were reached by corn and oats. Liberal receipts of corn continued. After opening ¼c to ¾c down including May at 66¾@67 the corn market underwent a further sag.

Later the market recovered with wheat and closed nervous ¼ net lower to ⅜ cents advance with May 67 @ ⅝.

Oats.

Oats fell with other cereals, starting unchanged to ⅜c off, May 42¾ and then suffering a general decline.

Provisions.

Provisions weakened as a result of the downward tendency of hogs and grain.

MINNEAPOLIS FLOUR

MINNEAPOLIS, Minn.—Flour 20@25 cents lower. In carload lots family patents quoted at 9.05@9.25 a barrel in 98 pound cotton sacks. Shipments 48,293 barrels. Bran 26.00@27.00.

CHICAGO LIVESTOCK

CHICAGO — Cattle 14,000; beef steers steady; early sales mostly 10 to 25 cents lower; few choice loads held around $10; bulk 7.60@8.85, better grades fat cows and heifers slow, tending lower. Canners and low priced butcher cows steady; bulk canners 3.40@3.75; bulk butcher cows 5.00@6.00; few heifers above 6.75; bulls and light calves steady to lower; shipping calves steady bulk good and choice vealers 12.00@13.00; stockers and feeders slow to lower.

Hogs 54,000, mostly 10@15 cents lower than yesterday's average; lights most active, top 9.90; bulk 200 pounds and down 9.50@9.80; bulk 2.20 pounds and up 9.15@9.35; pigs 15 to 25 cents lower.

Sheep 30,000 no early sales, choice sheep and lambs; bidding 25 to 50 cents lower, choice lamb weight yearlings 9.50; bidding 25 cents lower on feeding lambs.

MILWAUKEE LIVESTOCK

MILWAUKEE, Wis.— Hogs 4,000, 10@15 cents lower; prime heavy butchers 8.90@9.10; light butchers 8.90@9.25; fair to medium light 8.00@9.00; fair best mixed 8.50@8.85; fair to select packers 8.50@8.25; pigs 8.00@9.00.

Cattle 500, steady.

Calves 2,800 steady.

Sheep 200, steady.

STOCKS HAVE DULL OPENING

Slack Trading Features Early Dealings in Exchange

NEW YORK—Extreme dullness attended the early dealings in the stock market today, the nominal trading disclosing the usual irregular mixture of gains and losses. Royal Dutch soon rose 1½ points and General Asphalt advanced a large fraction. American Can, Vanadium Steel, International paper, People's Gas, Chesapeake and Ohio were higher by fractions to a point. The heavy issues included Atlantic Gulf, May Department stores, Crucible Steel and American Agricultural Chemical. Mexican oils also yielded to further pressure. Preliminary quotations for foreign exchange indicated another active day, the British demand rate making a further advance to $3.85¼.

There was no material changes in the later dealings other than the further strength of oils and improvement in Pacific rails. The close was firm.

FARMS FOR SALE.

IF YOU WANT a good farm of your own for a home or investment, we can help you. Good land, in Marathon County, with a house, barn, cow, pigs, chickens, tools, and seed. Easy terms. We have helped hundreds secure their own farms and become independent. If you are a good man, and have $100 to $500, come in and let me explain our colonization work, and how we help you get started. We are not showing land now, but this is the time to come in and get the facts, so you can start making your plans. V. S. Norton, National Land Colonizing Co., 125 King St. 'Phone Badger 7505 for appointment if you want to come in the evening.

One of the best farms in the vicinity of Blue Mounds, 4½ miles from town. 186 acres, 100 acres under the plow. Good clay loam. Fair buildings. Price only $18,000, making it less than $100 per acre. You have to see the farm to realize what a bargain it is. Will sell for a few thousand down, and very easy terms, and will stock the farm if desired. Also will consider renting to a good man. This is a chance for a man with small capital to get a fine farm. I own the farm, so you are dealing direct. R. S. Crowl, 125 King Street. Phone Badger 7505. Call or write for particulars

FINE 160 in Clark County, Wisconsin, 100 under plow, good buildings, 4 miles county seat, horses, cattle, hogs, machinery, $36,000; $13,000 incumbrance. Want income property or small farm. Wm. Hannah, Neillsville, Wis.

REAL ESTATE EXCHANGE 56

FOR EXCHANGE — A non-resident owner of a $6,500.00 residence on Riverside Drive will accept as part payment a good building lot valued at around $1,200.00 located on east side. Will require $2,200.00 cash to handle. Balance first mortgage $3,100.00 at 6 per cent. Write or phone C. H. Sanderson & Co., 217-24 Gay Bldg. Badger 204.

LEGAL NOTICES 76

First insertion Jan. 27, 1921; last Feb. 16, 1921.

NOTICE FOR FINAL SETTLEMENT
(and Inheritance Tax Adjustment)
State of Wisconsin, County Court, Dane County—In Probate

In Re Estate of JOHN NYL, Deceased.

Notice Is Hereby Given, That at the Regular Term of the County Court, to be held in and for said county, at the Court House in the city of Madison, in said County, on the first Tuesday of March, A. D. 1921, there will be heard, considered, examined and adjusted:

The application of Julia Nyl, the administratrix of the estate of John Nyl, late of the town of Cottage Grove, in said county, deceased, for the settlement of her final account as such administratrix, which account is now on file in said court, (for the determination of the inheritance tax), and for the assignment of the residue of said estate to those entitled thereto.

Dated January 24, 1921.
By the Court,
A. G. ZIMMERMAN,
Judge.

This Man Reads "Help Wanted" Ads on the Classified Page

Me may be looking for some sort of article or a job, or he may not. However, he does read the want ads because he wants to keep in touch with every occurrence that effects him either personally or in a business way.

He realizes that through the "Help Wanted" columns employers find employees. He is ready to better himself and therefore is a close observer of this column.

He relies upon want ads to find a maid, a cook, or a chauffeur. They find his lost article, they sell his furniture, his home, his automobile; they rent his flat. They disclose to him business opportunities or exceptional real estate buys.

This fellow is a wide awake man who is alert to everything going on about him. He benefits by his alertness.

To such a man THE CAPITAL TIMES offers a classified page six times each week. Every day it goes out 11,000 strong and every day it contains numerous ads that benefit hundreds of people. Read this page today and every day. It is very interesting.

The Palmer Scandal

Samuel Untemeyer Voices Demand for An Investigation; Palmer Replies, You're Pro-German.

THERE is a nation wide demand for a congressional investigation of the scandalous conduct of Attorney General Palmer both as head of the department of justice and as alien property custodian. Samuel Untemeyer of New York, chief counsel for the Lockwood committee, voiced this demand at a dinner held at the Hotel Commodore in honor of Nathan Hirsch, former chairman of the mayor's committee on rent profiteering.

The vast powers and patronage of both offices held by Mr. Palmer have been used to build up a political machine which he expected would land him in the presidential chair.

Fortunes in patronage are believed to have been squandered among favorites and in the form of lawyers and directors' fees taken out of the pockets of citizens and aliens whose properties were seized, or unfortunately came under the control of the government.

Mr. Untemeyer points out the humiliating, blundering and inefficient action of the department of justice in connection with the revelations of gross violations of the Sherman anti-trust law in the construction of buildings in New York City. Members of the sand and gravel board of trade who plead guilty to violating the Sherman law were permitted by Colonel Wm. Rand and Isadore J. Kressal, special assistants of Attorney General Palmer, to escape with small fines.

As to Mr. Palmer's record as alien property custodian, Mr. Untemeyer says it was contrary to this country's best traditions, in gross violation of treaty obligations, and carried out in a manner medieval and brutal.

"We should take action to redeem our fair name in the eyes of the civilized world, and should do it quickly," said Mr. Untemeyer, "Let us get the facts whatever they may be, publish them broadcast, and adjust whatever wrongs have been done, before it is too late."

Mr. Untemeyer believes that an investigation of the secret service of the department of justice would develop that it did little except to rely largely on reports of the British secret service, gathered in this country before we entered the war, getting American to pay off British grudges, and play the British game, and interne unfortunates who had inherited British enmity before we entered the war.

One of the results of the disclosures before the Lockwood committee is the proof that almost every avenue of industry was glutted with criminal combinations in restraint of trade on the part of big contractors and dealers.

Responsibility for this condition Mr. Untemeyer places squarely at the door of the department of justice, denouncing "the record of the last eight years as one of incompetency, supineness and worse, that is unspeakably bad. To its persistent inaction we owe largely the strangle hold of illegal combinations and the accompanying extortion that was practiced in almost every line of endeavor, although the department of justice has asked and secured millions of dollars from congress for the avowed purpose of enforcing the anti-trust laws."

Only last August Mr. Palmer asked for an appropriation of $1,500,000 for the purpose of prosecuting trusts connected with the building trades, and said he was going primarily after the cement trust, the principal members of which are located in his own state of Pennsylvania.

Although the supreme court has held that the Sherman law is a criminal statute, Mr. Palmer brought a civil suit against the cement companies, of which nothing had been heard, except that it was started. Before the Lockwood committee began its investigation Mr. Untemeyer asked permission to inspect the evidence against the cement men but was refused, Mr. Palmer saying that he wanted it for use in the civil suit. Mr. Untemeyer says this is the first time that he ever heard that evidence was a perishable commodity, which would disappear upon inspection.

Without any assistance from Attorney General Palmer Mr. Untemeyer went ahead with the Lockwood committee investigation and made a complete exposure of the cement trust and placed the evidence with the department of justice, so that all it had to do was to place the evidence before a grand jury and put the men on trial.

In four weeks' time, at a cost of less than $25,000 the Lockwood committee has done a hundred times as much to uncover illegal combinations as the department of justice has done in eight years, with its millions of appropriations, and the work of the Lockwood committee was confined to the building trade, while the department of justice had the entire country under its jurisdiction with an army of attorneys, investigators and secret service men.

Attorney General Palmer has made what he no doubt supposes to be a complete satisfactory and crushing reply to Mr. Untemeyer. HE SAYS HE IS PRO-GERMAN.

PROFESSOR GILLIN TO HEAD BEGINNING RED CROSS COURSE

A Red Cross course, under Prof. J. L. Gillin of the department of sociology, will be given next semester as a four credit course for seniors and graduates who are doing social service field work. The course will also be open as a two hour subject to other undergraduates.

The course is being given with the co-operation of the Madison Public Welfare association, acting under the direction of the Red Cross headquarters in Chicago. The student is fitted by it for a subordinate position in a large social service organization. To stimulate interest in Red Cross, five scholarships have been granted to women from different cities of Wisconsin, for the study of the various branches of work in connection with Red Cross service. Similar scholarships are offered in several western schools, among them the universities of Chicago, Nebraska, and Iowa.

CLEF CLUB MEETING

Regular meeting at 7:15 in Lathrop parlors tonight.

Voice Of The People

CAPT. GEISSE ON RELIEF WORK AND REDS.

To the Editor of The Capital Times:

I note the article by Mary Senior in your edition of Jan. 25, and it prompts me to give you details of attempts by American relief organizations to give help to the Russian people, which came to my attention while I was in North Manchuria, and Siberia during the years 1918, 1919 and 1920. However, if I went into this question, as I would like to do, it would take far too much time and space, so I will limit this letter to one incident to which I was a witness in the early spring of last year.

I had been in Siberia for something over a year continuously had witnessed the break-up of the Kolchak forces and the precipitate retreat of the far-famed Checko-Slovak army, before the Reds or so-called Bolsheviks. I, like many others, had been too leisurely in getting out of the country eastward, had gotten behind with the Check army and finally with the Polish forces and with them was captured by the Reds about the first of January, 1920.

Now we Americans were not treated as prisoners and were apparently free to leave Soviet territory at any time or to go where we pleased within Soviet territory. But our friends, the Checks, in their retreat had so destroyed the railroads that traffic was entirely stopped and it was necessary for us to remain behind the Red lines until the Bolshevik engineering batallions were brought up, the railroad repaired, and traffic reopened. When this had been done, we moved out toward Manchuria and in the latter part of March arrived at Irkutsk, having in the meantime picked up two American Red Cross men who, like ourselves, had been laggards. One of these gentlemen was a Dr. McDill from some place in Iowa, and the other a Mr. Otto W. Lowe, of New York city. It was in Irkutsk that I happened to be in at a conference between these gentlemen and a Mr. Yomsen, deputy minister of foreign affairs, for the Red government, department of Siberia.

Mr. Yomsen, speaking to the Red Cross men, touched briefly on the work that had been done by the American Red Cross, with the Kolchak forces, stating rather humorously that while the work had been intended to help an enemy army, it had really been of benefit to the Rusian people, and that while the attitude of the American government toward Russian affairs, had been reactionary, and not favorable to the Russian people, still the Russians knew that that attitude had been largely influenced by the British and they did not blame the individual American for it. They knew that the sympathy of the individual American, at least of those who had been in Siberia, was with the Russian people.

He then called in the Russian physician, in charge of the Irkutsk sanitary district, and asked him to outline conditions in his department. This gentleman went into detail regarding the question of disease, its cause there, methods of curbing its spread and of medical supplies needed, mentioning in particular antityphus serum, and delousing machines, which he said were needed above everything and were absolutely lacking in his district. Mr. Yomsen then asked these Red Cross men if they thought the American people out of sympathy for the Russian people in their deep distress and irrespective of any question of the recognition of one government by another, would be willing to help the Russians by furnishing even a part of these supplies. Both men said they were sure that they would, and both volunteered to remain there and work with the Russian authorities.

He then asked if they would sign a telegram to the headquarters of the Red Cross, in the United States, which telegram could be sent out via Urga and Pekin in China, asking them if they would furnish the supplies. At this point Dr. McDill interrupted with the statement that it was not necessary to go to America for these supplies, as he knew that such material was in the hands of the Red Cross in Vladivostok in greater quantities than needed in Irkutsk and that it could be made almost immediately available provided they could get it released for shipment to Irkutsk. So the telegram was drawn up, signed and sent out to the head of the American Red Cross in Vladivostok, instead of in the United States, as first suggested.

Whether this telegram was ever received at Vladivostok, I do not know, but I do know that both Dr. McDill and Mr. Lowe were in Manchuria and within easy reach of Vladivostok by wire and of the United States by cable, within two weeks of the day we sat in Mr. Yomsen's office in Irkutsk, and that they were both in Vladivostok with a month. I know that the supplies were not forthcoming and I am reasonably sure that much suffering and many deaths would have been avoided had these supplies for which the American people had already paid, been made available to the Russian people, for whom they were intended by those who had paid. And that the very high and friendly regard in which the American people and American institutions were held by the Russians, has not been promoted by failure to act in this and in many other similar opportunities, when and were action was badly needed.

W. W. GEISSE,
1210 Sherman Ave.

At The Theaters

AT THE GRAND

"Up in Mary's Attic," the comedy de luxe feature, the attraction at the Grand theater this week, is a thrilling and amusing story of high jinks in a girl's seminary with the mirth-provoking incident and the melodramatic thrills brought out by Eva Novak, Harry Gribbon, a captivating baby, and a bevy of beauties. Miss Novek is cast as an undergraduate who will inherit a snug fortune on the day of her graduation.

NEW BILL AT THE ORPHEUM

Robert Hyman & Virginia Mann in "5,000 a Year."

The Breen Family, "Bits of Everything."

Harry & Anna Seymour, Mirth and Melody.

Harrison & Dakin, "The Three of Us."

Orr & Hagar, "Little Miss Innocence."

Barry Tsuda, He Smiles as he Thrills.

Hinogram Pictures.

The above six acts of Orpheum Circuit vaudeville and Kinogram pictures will make up the new program which opens at the Orpheum tonight, for the balance of the week, including the three performances Sunday. The feature acts are Robert Hyman and Virginia Mann in the playlet "5,000 a Year," full of clever situations and sugar-coated dialogue, and The Breen Family, offering bits of vaudeville.

AT THE STRAND

Her wedding was the most gorgeous that London society had ever seen. And she thought it was the beginning of the most wonderful happiness in the world. But that night her husband told her that she was his wife in name only, that he knew how heartless and mercenary she was, and never wanted anything to do with her. omebody had tattled, somebody had repeated a careless jest of hers, and suspicion flammed in his jealous breast.

"The Furnace," which is now being shown at the trand theater, is a tence drama with an all-star cast, including Theodore Roberts, Agnes Ayres, and Milton Sills.

In addition a comedy cartoon will be shown.

AT THE FULLER

With a solid year's run at the Knickerbocker theater, New York, to its credit, "Listen Lester," John Cort's musical comedy success by Harry L. Cort, George E. Stoddard and Harold Orlob, dances merrily on its way toward Madison, where it will be shown piling its road full of joyous gaiety on appreciative audiences. Admirably suited for your consumption is the story, breezy and amusing with lyrics that are catchy and pleasing to the ear, while the music ripples joyously throughout, lilting and tuneful. There are girls in dainty gowns, girls in fetching costumes, girls of every kind and description.

On The Side

ANTI

It's anti-this and anti-that
To follow anti-rum;
Anti-coffee, anti-tea
And anti-chewing gum.

It's anti-shimmy, anti-jazz
And anti-ice cream cones,
Anti-poker, anti-bridge
And anti-ivory bones.

It's anti-kiss and anti-hug
And anti-cigarets,
Anti-baseball, anti-fights
And anti-race and bets.

It's anti-short skirts, anti-legs,
Anti-decollotte,
Anti-movies, anti-plays,
And anti-Great White Way.

It's Anti-Sunday papers and
It's anti-mirth and glee.
It's anti-pleasure, anti-joy
And anti-liberty.

And now they've got me doing it,
And that is why this chantey.
Yes, I'm a rabid Anti-too;
For I'm an Anti-Anti.

DIRTY WORK

Thrills, Mystery, and Murky Politics Make Pi Nite Playlet Real Melodrama

"A Dirty Case," smacking with thrilling incidents and melodramatic scenes, is the title of the one-act play to be given by thirteen members of the Press club at the annual Pi Nite celebration, February 18. Special stunts will be given during the dances, the music for which will be furnished by a Thompson five-piece orchestra.

The thirteen students who will present the playlet are Misses Helen Smallshaw '23, Mildred Gerlach '22, Dorothy Crook '21, Rosemary Lyons '23, Marguerite Daly '22, and Messrs. David Lacy '21, G. Lowell Geiger '23, John Baker '21, William Bloecher '22, Wymand Smith, grad., Russell E. Frost '21, M. A. Balling '23, and Richard J. Loewenthal '21.
